

Herdbuilder

REPLACEMENT
FEMALE SALE

May 28, 2024

Dear Cattlemen:

It is time once again to issue the call for consignments for the Herdbuilder Replacement Female Sale, which will be held Friday, August 30, 2024 at the Alabama Livestock Auction in Uniontown, Alabama beginning at 11:00 AM.

The Herdbuilder Replacement Female Sale is an annual program conducted by the Alabama Cooperative Extension Animal Science and Forages Team. This year's 2024 sale will be a true "team effort" led by a sale committee. Committee members will be Michelle Elmore (Sale Contact and Coordinator), David Daniel (Farm Visit Coordinator), Ken Kelley, Anthony Wiggins, Josh Elmore, and Dr. Kim Mullenix. Preference for consignments will be given to beef cattle producers from Central and West Alabama, with working relationships with the extension team. Consignments from other areas will be by invitation.

Online bidding through DVAuction will be available again this year, which has proven to be a great addition to our traditional bidding format. The marketing plan for the sale will include a sale catalog created in advance. This will allow for more detailed promotion of the sale via websites and social media.

Therefore, all required heifer consignment details and data will be due on the nomination deadline of July 19, 2024. The catalog will be finalized and posted by mid-August. The final sale order, and any needed supplement sheets, will be posted online and distributed just prior to sale day.

Sale commission will be 7%. A nomination fee of \$20.00/heifer will be due with your consignment data on July 19. This nomination fee will be refunded to you if your cattle are delivered to the sale site as indicated. If you drop out of the sale after sending in your data, this nomination fee will not be refunded. Enclosed are the detailed guidelines for this sale opportunity with a consignment entry form to complete to participate. Heifers will be delivered to the Alabama Livestock Auction in Uniontown on Thursday, August 29 from 10 AM to 2 PM.

To ensure meeting the performance and quality standards for this sale, strict evaluation of consigned heifers and observance to sale guidelines and deadlines will be in place. Please be aware of this as you select heifers to consign and complete your consignment entry form.

Please return the completed consignment entry form and the \$20.00/heifer refundable nomination fee by July 19, 2024. Please email or mail completed nominations to Michelle Elmore by elmormf@auburn.edu or by mailing address of 40 County Rd 756, Clanton, AL 35045. For more information or questions, please contact Michelle Elmore by phone (205) 287-1080.

Sincerely,

Extension Associate Professor
