PRESIDENT'S CORNER

By Ken Martin

We had a wonderful car show on Saturday October 25th! Chapman Ford was extremely impressed with the show, from the 101 registered cars present, the quality of the cars, the atmosphere, the raffle (Chapman employees won several prizes), the judging and the trophies. Even the weather was perfect!

I started the day disappointed that I was unable to make arrangements for a color guard to present the Flag at the show opening. I had called multiple High School ROTC groups as well as the American Legion. The Legion said they would get back to me, but they never did. None of the groups I contacted replied to me. Imagine my surprise when the Legion Color Guard arrived to kick off the show! The official presentation of the colors, the national anthem and the pledge of allegiance started the show in the best way possible.

Another pleasant surprise was the arrival of the food truck! We had a reservation for the truck, but in the previous weeks had not received a reply from the owner to our calls or emails for final confirmation. With no reply, Randy and the Friday night team made a great decision to purchase sandwiches, water and chips for the show. We were pleasantly surprised again when the food truck showed up! The food was good and had great reviews. We also sold sandwiches, chips, and water.

I had a chance to talk to each vendor and they each enjoyed the show, saying it was worthwhile for them to be there. Shelby unloaded their huge semi-truck, parking Shelby

parking Shelby trucks and cars for gawkers to see and even sit inside. The Shelby trucks were crazy huge. Kristen would need a ladder to get into the truck.

I really appreciate Randy for everything he did to make this show a success! Randy was the key contact with Chapman's publicity desk, the organizer of the classes and layout, helped with signage, judging, and even counting ballots! Fantastic job Randy! An incredibly special thank you as well to Melanie for all you endured and helped with during this car show season!

I know when I thank people that I'll miss somebody's name, so I will thank all the club members who helped with planning, publicity, setting up, parking, judging, the raffle, the food, and everyone who stayed behind to cleanup. Each task was completed with great care and great attitudes, just the way Copperstate Mustang Club does things. We will debrief the show at the club meeting on Saturday November 8th, reviewing the successes and discussing improvement options.

I'm so proud of our club. We have heart, motivation, great ideas, and the determination to get things done. We also have LOTS of REALLY GREAT CARS!

I would love to include a picture of every car & winner in this newsletter, but we would end up with 100 page newsletter!

Congrats to ALL the winners!

The cars are fantastic—and all deserve a prize!
