# Enabling successful adoption of tech change

At Eucalypt Consulting we understand the challenges leaders face in achieving employee adoption of new technologies. We work with project teams and technology vendors to reduce business **change risks and impacts**, driving **high adoption** and **realising business benefits**.

*We offer the following services:*

## STRATEGIC ALIGNMENT

- Workshops to align and strengthen business and organisational **culture strategy** to technology goals
- **Alignment** of the **technology roadmap** to the change strategy
- Exploration of specific strategies to enable **high adoption** and benefits realisation e.g. like role design, process design, ways of working.

## BUSINESS CHANGE PLANNING

- Assessments of stakeholders, **risks**, issues and **impacts**
- Change and communications planning
- Identification of **benefits and success criteria**
- **Collaboration** on software and process roll-out planning
- Collaboration on software design workshops

## BUSINESS CHANGE EXECUTION

Development of:

- Change and communications **collateral**
- Monitoring and reporting
- **Training** planning and delivery
- Readiness assessment
- Change evaluation
- Project **benefits** - baseline and **tracking**
- Transition documents

\*Services priced based on project complexity, size, and timeframes.

## Angela Richardson, Managing Director

Angela is a masters qualified business consultant, with 22+ years of experience working with leaders to design and implement services and solutions to elevate the employee experience. Possessing a wealth of knowledge, Angela is an expert in organisational design, strategy, culture, governance, capability development, processes, and systems change. Furthermore, she has experience with large-scale organisational transformation, implementing organisation-wide business change frameworks and tools and extensive knowledge working with technology teams.

*"Angela is a highly intelligent, holistic and values driven thinker. Her background and skills enable her to generate insights and lead projects through a genuine connection and understanding of people. Angela not only understands the changing world of work, she is able to support leaders to ensure functional processes to adapt and respond. I have seen the exceptional output and value she has driven through her project leadership and purposeful personal delivery." // Senior Leader, Aurizon*

*"We are a growing business. Eucalypt Consulting helped us formulate a human resources strategy and implement improvements to policies, programs and processes. This work has been critical to us managing risk and preparing our people for the exciting changes to come." // HR Business Partner, Prudentia Process Consulting*
