I hereby give McLane Highlanders Youth Football & Cheer my permission to perform a background check at my expense. I understand that if I fail the background check, I will surrender that fee. If, however, I pass the background check, I will be reimbursed that expense. McLane Highlanders Youth Football & Cheer also has the right to review information from any source reporting criminal and/or child related offenses and I understand that volunteer positions are contingent upon the results of the background check(s). I understand McLane Highlanders Youth Football & Cheer may require I hold certain certifications at their expense. I understand that I must attend any mandatory coach's clinics/meetings as required by McLane Highlanders Youth Football & Cheer. Failure to provide certifying documentation or absence from mandatory clinics/meetings can affect my eligibility to volunteer this season. If selected as a volunteer, I hereby grant McLane Highlanders Youth Football & Cheer permission to display my photograph and name on any and all McLane Highlanders Youth Football & Cheer publications. I understand that I am functioning as a volunteer for McLane Highlanders Youth Football & Cheer and will not receive compensation, monetarily or otherwise. I also understand that I am subject to all McLane Highlanders Youth Football & Cheer bylaws and standard operating procedures. The receipt of this application does in no manner imply a contractual obligation by McLane Highlanders Youth Football & Cheer. Being selected as a volunteer for McLane Highlanders Youth Football & Cheer does not affect an individuals' standing within McLane Highlanders Youth Football & Cheer. I will do my best to contribute to creating an environment of discipline, self-respect and success to aid in the academic, athletic and social success of the student-athletes who participate in the program. I understand, I am applying for an at will position and that I may be released with or without cause.

I swear under penalty of perjury that all information provided on this application is accurate to the best of my knowledge:
