About Carol Cassity – Carol is the author of *Building A Retriever, Drills & More*. Her book is a compilation of drills and best practices for the hunting retriever, with particular attention being paid to selecting drills that are within the means of most amateur trainers. Carol has experience with a variety of hunting dog breeds and is familiar with the unique traits of each breed. She successfully competes at the highest levels in both HRC and AKC events and is an HRC judge at the Finished level, having judged the HRC Grand multiple times. Titles her dogs have achieved include HRC GRHRCH, UH and AKC MH. Many of her dogs, both Chesapeake Bay Retrievers and Golden Retrievers are AKC Master Hunters and members of the HRC 500-Point Club. Her Chessie "Peytah" became a member of the 1,000-Point Club in 2019! Also a highly sought-after seminar presenter among retriever enthusiasts, Carol has helped multiple breeds and handlers in the eighteen plus years she has been doing seminars. Some of the breeds she has worked with include: Labs, Chessies, Goldens, Poodles, Boykins, Tollers, Drahthaars, Flat-Coats, Curly-Coats and Setters.

About the Seminar

This is an Intermediate level seminar. It will combine drills and field setups aimed at helping trainers make the leap between JH and SH level work. *At a minimum, the prerequisites for working dogs are a reliable whistle sit, reliable retrieve, and working at the Junior Hunter level.* Carol's focus is on building communication and teamwork with a dog with the emphasis on training the trainer, not the dog. She will work one to three dogs on a drill – not every dog will work every drill. The idea will be to show a specific skill development drill and then move on. She will also do field set-ups designed to put the skills into practice. All working dogs will run every field set up. Carol will provide comments and suggestions on each run. All attendees are encouraged to ask questions throughout the seminar. Auditors at any level are encouraged and welcome to attend.

Cost

Working Teams - \$475 - The workshop will have up to 10 dog/handler teams. Handlers are encouraged to run the same dog all weekend. If they choose to run a second dog, they will choose which dog to run when it is their turn.
\$200 Deposit to hold your working spot

1 Day - \$50.00
