# MONTARAZ

125 years of producing a true Masterpiece - Jamon Iberico de Bellota Acorn Fed Montaraz from Salamanca, Spain. Since its inception from generations ago, Montaraz maintained the process of traditional production of the finest ham respecting century old salting and curing processes in natural drying sheds. Salt and patience have always been the only true preservation secret to create a Jamon that is all natural containing no nitrates, nitrites, antibiotics or hormones - just Jamon, sea salt and time in the Salamanca air. The serenity of the process is an inheritance from the past, an ancestral knowledge passed on from father to son through four generations of ham masters.

Khayyan brings a Jamon masterpiece that opens the door to Smooth, Complex and Aromatic sensorial experiences.
