Who We Are

The Coalition is a non profit 501c3 corporation, comprised of health care providers, community leaders, policymakers, and parents, as well as public and private organizations with the common goal of promoting and supporting breastfeeding as the cultural norm in Ventura County.

Vision

Supporting Every Family to Breastfeed!!

Mission

To promote breastfeeding in the community by providing resources and education to families, health care professionals, employers, and policy makers.

California Civil Code 43.3

"A mother may breastfeed her child in any location, public or private, where the mother and child are authorized to be present."
