

Lactation Specialist Internship Program

Are you looking for an opportunity to obtain your required lactation hours to sit for the IBCLE exam?

Community Memorial Hospital New Parent Resource Center is now taking applications for their next Lactation Specialist Intern.

Minimum qualifications for consideration include:

- Completed minimum 95 hours of lactation specific didactic coursework (transcripts or certificate)
- Current Basic Life Support (BLS) Certificate
- Must file "Pathway Application" with the IBCLE within 14 days of internship acceptance.
- Must receive Pathway approval with the IBCLE before starting clinical hours.

This is an educational opportunity with IBCLC staff and not an employment position.

If interested, please contact Sheila Dedrick MSN, RN, IBCLC at 805-948-6268
