

# ACCESS ADVOCATES IN WORKFORCE DEVELOPMENT

Ensuring all have the skills, education, tools and support to start, grow & fund their dream.

## WHAT WE DO:

- Outreach and Engagement: Connect with marginalized communities to inform them about job opportunities and training programs.
- Support and Guidance: Provide personalized help with resumes, interviews, skill-building, and accessing essential services like childcare and transportation.
- Advocacy and Policy: Work with policymakers and community leaders to promote fair hiring practices and enhance workforce accessibility.
- Partnership and Collaboration: Partner with training providers, employers, and agencies to create comprehensive strategies for expanding workforce opportunities.

## OUR MISSION:

Level the playing field and promote equal access to training, employment, and career advancement, fostering inclusive and diverse workplaces and empowering marginalized communities.
