BALANCE

NEUTRAL CLEANER

INFORMATION:

Balance Neutral Cleaner is a no-rinse floor cleaner concentrate which reduces time and labor costs of daily maintenance of floor finishes. Quickly and effortlessly removes dirt and other surface soils in high traffic areas. Leaves no residue or haze to dull the floor finish.

DIRECTIONS FOR USE:

For damp mopping floors, mix approximately 15-20 ml of product per litre of water. Always start mopping from the furthest point, working backwards. Pre-sweeping is recommended, especially for heavily soiled areas.
