Nancy Zavala – Sumner College

TOPIC	DISCUSSION	ACTION ITEMS
Call to order by Alicia Printemps-Herget at 2:03 pm		
Approve March 21, 2024 Minutes	March 21, 2024 minutes sent via email by Megan Jones on April 15, 2024 to all consortium members.	Minutes approved.
Update Fall Approval Deadline	June 28 <sup>th</sup> is the new deadline for first round approvals for clinical partners to decide for the fall term (starts August 1, 2024). The rationale behind pushing this date up is to allow education partners to place students accordingly and to allow them enough time to onboard students and meet deadlines of clinical partners.	
Update on ACEMAPP Changes – Date and Next Steps	<p>June 17 is the implementation date for the new TB annual training through the CDC on ACEMAPP.</p> <p>If there is a school or a clinical partner that are requiring changes for a more stringent requirement, they will need to work with the Oregon Health Authority (OHA). If any consortium member needs further clarification, please direct your questions to OHA.</p> <p>The ARTAC recommends that all partners get on the ListServ for Oregon Health Authority to keep posted on these changes:  <a href="https://www.oregon.gov/oha/pages/index.aspx">https://www.oregon.gov/oha/pages/index.aspx</a></p> <p>OHA – Standards Table: <a href="#">Student-Clinical-Training-Standards-Table.pdf (oregon.gov)</a></p> <p>ACEMAPP has a new program called “Assure.” ACEMAPP sent out emails to consortium partners that were interested. Assure is run like a Complio platform. Assure is not a requirement from the consortium.</p> <p>George Fox University is considering the move to Assure.</p> <p>CSP is staying with Complio due to Assure being in the Beta testing phase.</p>	Megan plans to send out a handout of a list of requirements that will be changing via email to all consortium members. She plans to send this out in the next few weeks.
Summer Approvals?	There are a few pending rotations for summer.	Megan will look at ACEMAPP and follow-up with clinical partners and education partners.
Meet in-Person in June?	<p>Walla Walla University is happy to host.</p> <p>Megan would like to meet in-person to discuss guidelines as an agenda item.</p>	Megan plans to send out a survey regarding if they are available in-person for the final meeting in June.

<p>Board of Directors Needs</p>	<p>Needs:  Chair  Chair – Elect  Secretary  Secretary – Elect</p>	<p>If you are interested in a position, please let Megan know as we are hoping to fill these spots before the new term begins in July 2024.</p>
<p>Contact List Information</p>	<p>Since we have new members, we will need to have new updates for new members.</p>	<p>Megan plans to send out a new contact list to all consortium members.</p>
<p>Thoughts what we did well/changes?</p>		<p>Megan plans to send out a survey to request responses.</p>
<p>Clinical Requests Outside of Consortium</p>	<p>Schools outside of Oregon are requested to first work with the Oregon State Board of Nursing for approval to have clinical rotations in Oregon: <a href="#">Oregon State Board of Nursing : Nursing Programs Outside Oregon : State of Oregon.</a></p>	
<p>Treasurer Report</p>	<p>March 2024's report was shared.</p> <p>Money Market account – a question about why we are not moving money around to make more money off the interest. Due to how the accounts were set-up with Advantis Credit Union and how they were originally set-up at Key Bank, the Board of Directors (BOD) plans to have a financial review and move money around at that point.</p> <p>A request was made to have an update be sent to the Oregon Council of Deans and Directors.</p>	<p>Megan and Alicia will draft a letter with the BOD's approval to provide an update to the Oregon Council of Deans and Directors.</p>
<p>Meeting Adjourned 2:53 pm</p> <p>Recorder: Kathleen Finch</p>		<p>The next General Partners' meeting is May 16, 2024 from 2:00 pm – 3:00 pm via Microsoft Teams.</p>
