c. Committee Reports and Action Thereon

ii. Executive Committee: None.
ii. **Governmental Affairs Committee:** Council Member Chandler reported that he, Council Member Berger, and Mr. Paluszak met with George Naughton, Interim Director of DAS, to talk about possible amendments to our enabling statutes, resulting from SB7 during the 2013 Legislative Session. Two main issues need to be addressed. One being definition of “property.” The other is money that came to the State Fair Council via Q-Bonds or other state financial resources for improvements to the physical plant being a “loan” to be paid back. They agree with our position on both, and are working on ways to resolve. Sen. Roblan has agreed to put forward legislation necessary to address these topics. The legislation will be drafted by and on behalf of the State Fair Council, not DAS. Sen. Roblan added that when the necessary information is available to let him know and he will set a meeting with Legislative Counsel.
