Ending balance: **\$7422.16**
Motion to accept/second and approve was passed.

Old Business

Harvey replaced the water chlorine system filters.

Rollin reported on general field maintenance and operations. A new post and hoist were installed to allow the underdeck washing of the mowers after cutting the grass. Please allow the mowers to cool down before washing. We currently have 2 mowers with one being a zero turn Cub Cadet to be used only for mowing the runway at the level 2 setting while the other John Deere is to be used for everything else. Brian, Rollin and Glen have done an excellent job of maintain this equipment and making repairs, Thank you guys.

It was suggested that we plan a “cleaning” day one Saturday just to clean out the clubhouse and throw away any old items or food that is no longer needed along with mopping the floors, etc.....more details to follow.

Todd Nolte will be talking with City officials about mowing the high grass surrounding our runways.

The 2020 club budget was discussed and a motion to accept was presented and passed.

New Business

The topic of a designated helicopter area was discussed and it was suggested that we widen the west side of the crosswind runway in a circular manner so that helicopters can be flown while other aircraft are flown on the main runway.

Welcome new members Terry Haugstad and Alex Zharov.

Meeting adjourned at 9:45 am.
