### Old Business

The new By-laws have been approved and will be posted to all of the members.

### New Business

It was agreed on to schedule Wednesday 5/29 as a field maintenance day with no flying allowed. In preparation, the runway will be mowed on the lowest setting on Tuesday 5/28 before dirt is to be delivered on Wednesday. This will be spread and then thoroughly rolled afterwards.

Russell Bear has agreed to take over the field maintenance.

Glen Pope has created a mowing schedule with dates, team and phone numbers and will be sent out by Russell. Please be considerate and notify the next group if you decide to mow out of turn so that someone scheduled doesn't make a wasted trip. This list will be posted in field clubhouse.

New member, Joel Garza suggested possibly getting away from GoDaddy for our website hosting and will talk to Larry Ammons about updates and ecommerce for due paying.

Next Fly-in will be held on August 17<sup>th</sup>.

Meeting adjourned at 9:23 am.
