Head Coach: Albany Ireland | (361) 244-1483 | squidlylessons@gmail.com

Assistant Coaches: Ana Colchado, Ashley Monyelle, Nicholas McDonald

All participants must be 4 – 17 years old and be able to swim half the length of the pool and roll on back to float to be eligible for Swim Club.

Billing is \$85/ nonmember & \$75/ member bi- weekly excluding sales tax. If you would like to be invoiced for billing, payment must be through ACH banking information.

Land training is included with trainer, Emily Galvan. I understand that she is a trainer collaborating with Squidly Swim LLC and does not operate under Squidly Swim LLC.

If you are not an NorthShore Country Club member, use of the pool outside of Swim Club is prohibited.

I consent to my child participating and being coached in the NSCC Swim Club and will not be held liable if any injury occurs under team supervision. I understand my child must obey all rules set down by the coach and aquatics facilities for safety purposes or they will be removed from the club and not be eligible for refund of swim club fees.

The NSCC Swim Club schedule and price is subject to change due to weather or training conditions.

Make up time will be scheduled for any canceled practices.

General Instruction Agreement

I will not distract the instructor or my child(ren) by talking to them, sitting less than 6 feet sway from the edge of the pool, or leisure swimming less than 10 feet away from the lesson during the group lesson. I can talk to my child(ren) if I am called over regarding an issue my child may be experiencing.

I will not allow the swimmer's siblings to distract the instructor or my child during their lessons.

It is not the instructor's responsibility to chase after my child on deck if they are to "run away" since the coach is responsible for the other swimmers in the pool as well. *There is a kiddie pool that kids may prefer to play in instead of their lesson.*

The instructor in charge of the swim lesson may sit my child outside of the pool if my child has trouble listening. *We, Squidly Swim instructors, do not consider this as punishment but use this for the benefit of the swimmer during instruction.*

The group lesson fee \$115, is due the first day of group lessons. If there is inclement weather or undesirable pool conditions, makeup group lessons will be scheduled.

The NorthShore Country Club is not responsible for injuries due to parental negligence, or for missing/stolen items.

Squidly Swim LLC will not be held liable for injuries outside of scheduled swim lessons and must be notified of any notable health conditions. Swimmers must obey rules laid down by the instructor during lessons.

Families that are not NorthShore Country Club members may not use the pool outside of scheduled lessons.

I understand I am responsible for my child(ren)'s swim lesson schedule and will be early or on time to scheduled lessons.

I will contact my coach if I will be late or cannot attend a swim lesson. I understand a "no show" will result in a full charge.

By checking this box, I am indicating that I agree with the above and that the information I entered is true to the extent of my knowldege.
