when at EIFFEL TOWER

Follow these tips!

Photographing the Eiffel Tower can be a rewarding experience, and there are several techniques you can use to capture stunning images:

01 **ICONIC VIEWS**

Capture the classic view of the Eiffel Tower from the Trocadéro Gardens across the Seine River. This location offers a frontal view of the tower with the gardens and fountains in the foreground, creating a classic and symmetrical composition.

02 **GOLDEN HOUR**

Visit the Eiffel Tower during the golden hour, shortly after sunrise or before sunset, for soft, warm light that enhances the beauty of the tower and the surrounding landscape. The warm tones of the light can add a magical quality to your photos.

03 **CITYSCAPE VIEWS**

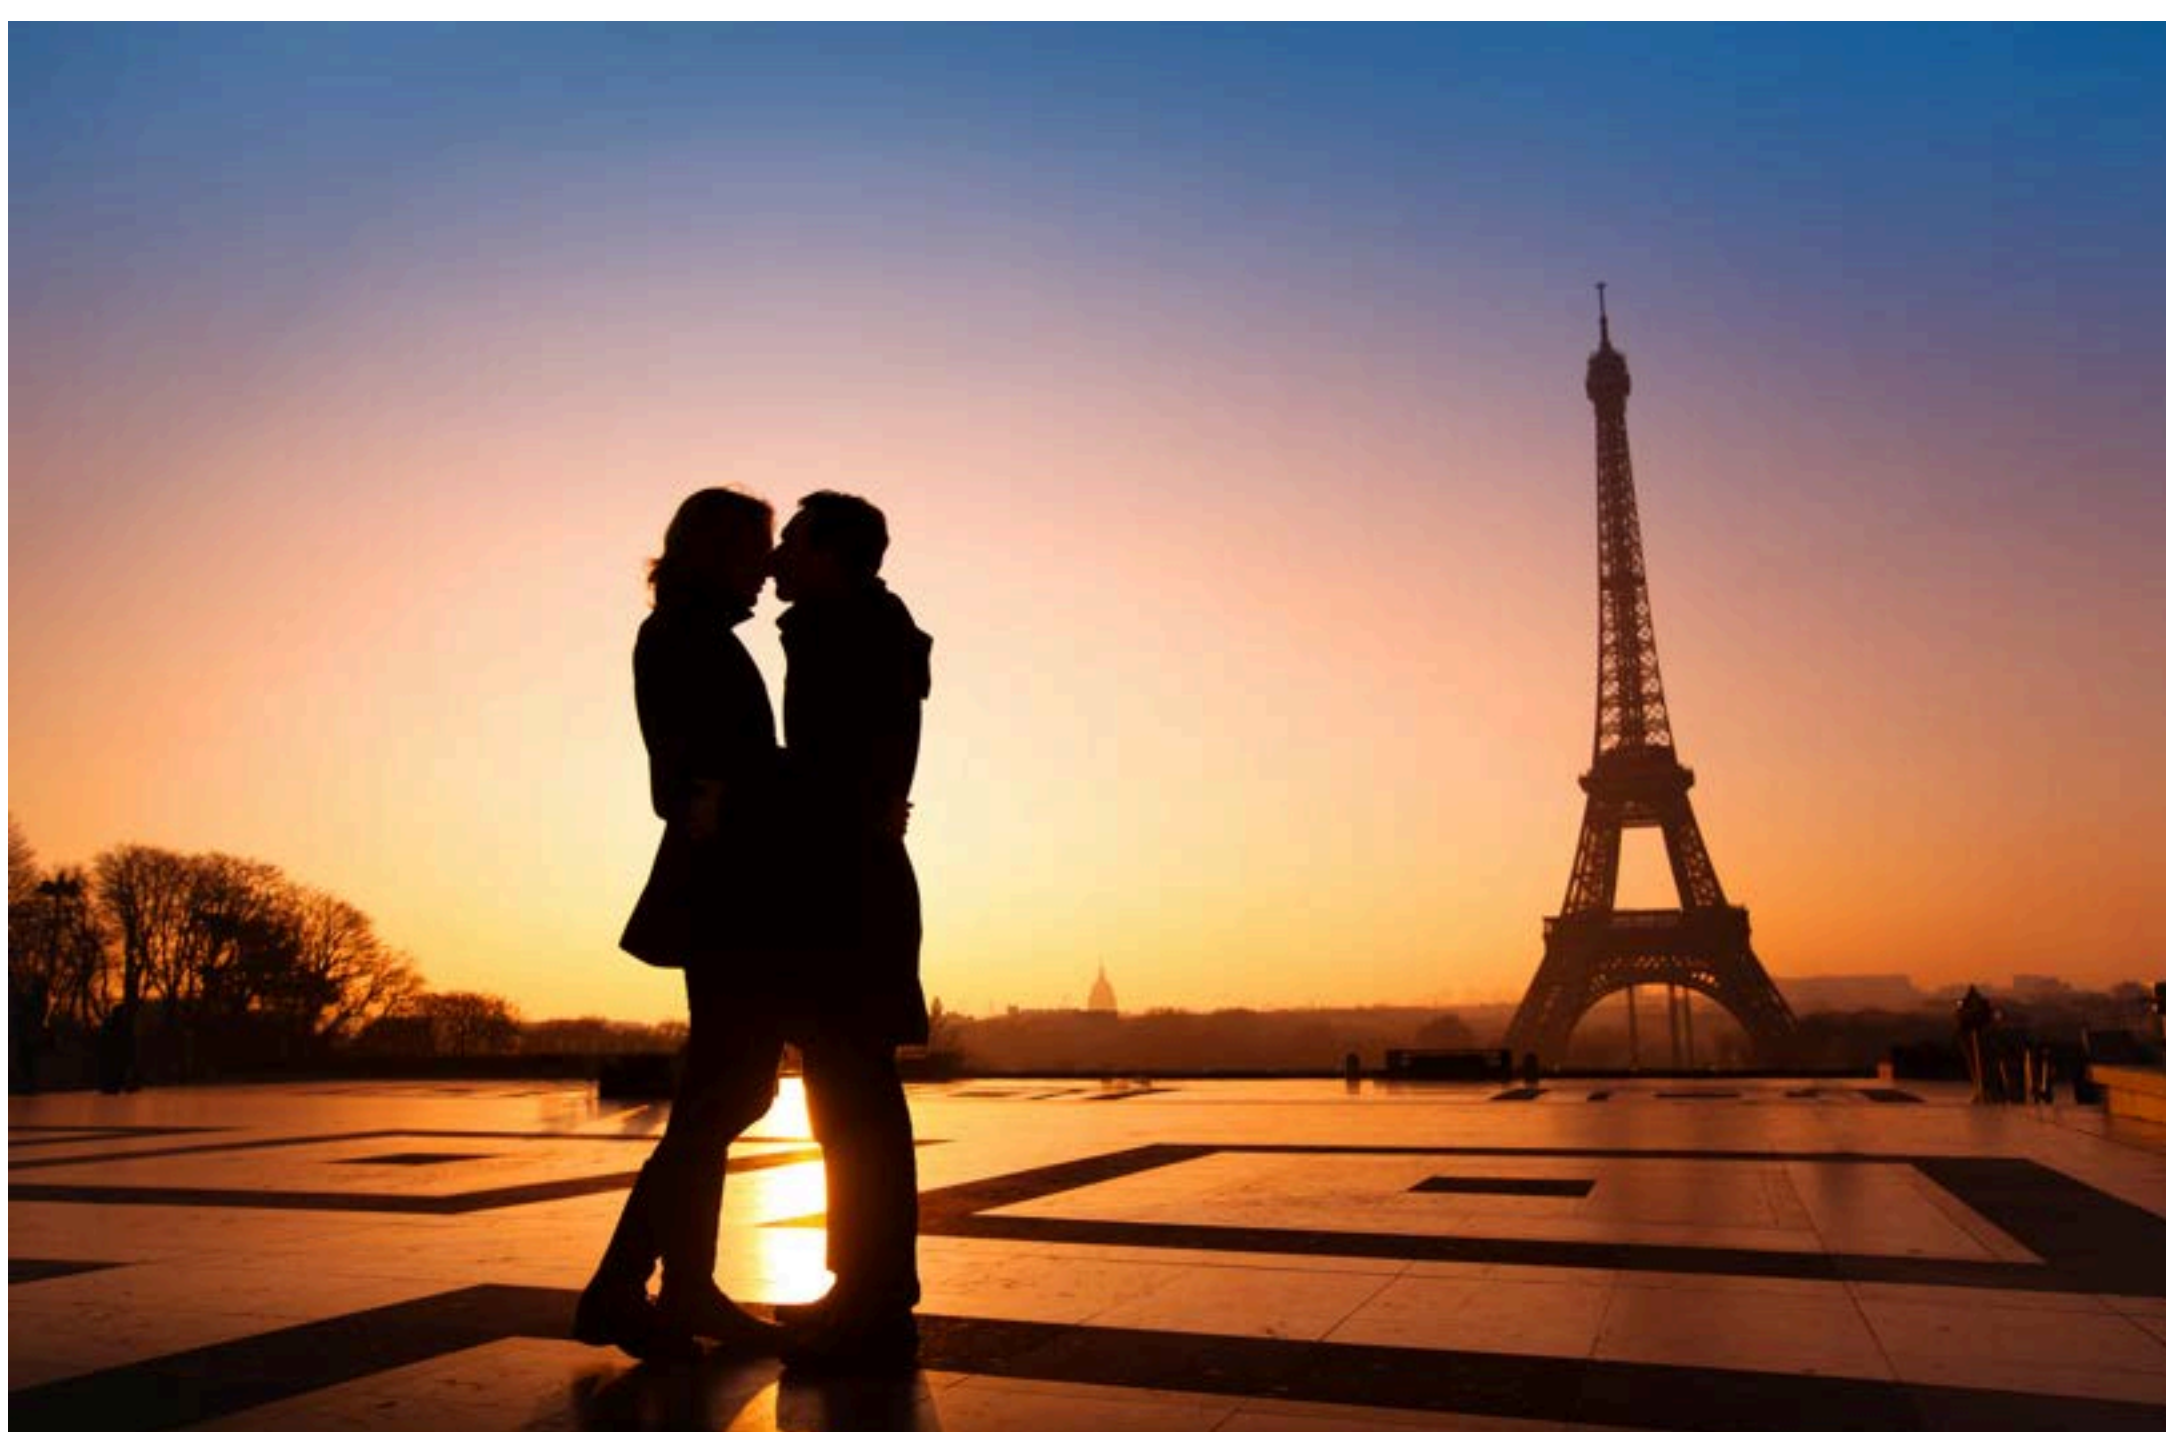

Explore different vantage points around Paris to capture the Eiffel Tower within the context of the city skyline. Look for elevated locations such as Montparnasse Tower or Parc de Belleville for panoramic views of Paris with the Eiffel Tower in the distance.

04 **SYMMETRY AND REFLECTIONS**

Look for opportunities to capture the Eiffel Tower reflected in nearby water surfaces, such as the Trocadéro fountains or the ponds in Champ de Mars. Reflections can add depth and visual interest to your photos, especially during calm and clear weather conditions.

05 **FOREGROUND ELEMENTS**

Incorporate interesting foreground elements into your composition to add depth and context to your photos. Experiment with framing the tower with trees, arches, or architectural details to create visually compelling images.

when at LOUVRE MUSEUM

Follow these tips!

The Louvre Museum in Paris offers numerous stunning locations for selfies amidst its grand architecture and iconic art. Here are some of the best selfie spots at the Louvre:

01 LOUVRE PYRAMID

The glass pyramid entrance to the museum is an iconic symbol of the Louvre. Capture a selfie in front of the pyramid during the day when the natural light illuminates the glass, or visit at night when the pyramid is illuminated for a magical nighttime selfie.

02 LOUVRE PYRAMID FROM INSIDE

Take a selfie from inside the museum, looking up at the glass pyramid from the main lobby. This perspective offers a unique view of the pyramid's geometric structure and the surrounding architecture.

03 WINGED VICTORY OF SAMOTHRACE

Capture a selfie with the famous Winged Victory statue, located at the top of the Daru staircase in the Denon Wing. This iconic sculpture makes for a dramatic and elegant backdrop for your photo.

04 LOUVRE GARDENS

Step outside to the Tuileries Garden or the Cour Napoléon for selfies with the Louvre Palace in the background. These outdoor areas offer a peaceful and scenic setting for photos amidst lush greenery and beautiful landscaping.

Remember to be mindful of other visitors and museum rules while taking photographs at the Louvre.

when at MONTMARTRE

Follow these tips!

Montmartre, with its charming streets, historic landmarks, and artistic atmosphere, is a fantastic location for photography. Here are some tips for capturing the essence of Montmartre in your photos:

01 **GOLDEN HOUR**

Visit Montmartre during the golden hour, shortly after sunrise or before sunset, when the soft, warm light enhances the beauty of the cobblestone streets, historic buildings, and artistic details.

02 **SACRÉ-CŒUR BASILICA**

Capture photos of the stunning Sacré-Cœur Basilica, both from the outside and the interior. Explore different vantage points around the basilica to find unique perspectives and compositions.

03 **PLACE DU TERTRE**

Wander through Place du Tertre, a picturesque square filled with outdoor cafes and artists selling their work. Capture candid moments of artists at work, or interact with them to create portrait shots.

04 **STREETS AND ALLEYS**

Explore the winding streets and narrow alleys of Montmartre, lined with colorful buildings, quirky shops, and hidden gems. Look for interesting architectural details, street art, and vintage signs to photograph.

05 **VIEWS OF PARIS**

Climb the stairs to the top of Montmartre hill for panoramic views of Paris skyline. Capture the cityscape with landmarks such as the Eiffel Tower and Notre-Dame Cathedral in the distance.

when at PONT ALEXANDRE III

Follow these tips!

Taking selfies at Pont Alexandre III, one of the most beautiful bridges in Paris, can result in stunning photos with a backdrop of elegant architecture and the Seine River. Here are some tips for taking selfies at Pont Alexandre III:

01 GOLDEN HOUR

Visit Pont Alexandre III during the golden hour, shortly after sunrise or before sunset, for soft, warm light that enhances the beauty of the bridge and the surrounding scenery.

02 BRIDGE DETAILS

Capture close-up selfies with the ornate details of the bridge as your backdrop. Focus on elements such as the gold embellishments, intricate lampposts, and sculptural features to add interest to your photos.

03 RIVER VIEWS

Take selfies with the Seine River in the background, either from the bridge itself or from one of the riverside pathways nearby. Use the river as a natural leading line to draw attention to yourself in the photo.

04 SYMMETRY

Position yourself in the center of the bridge to capture symmetrical selfies with the bridge's arches and ornamental details framing you on either side. This creates a balanced and visually pleasing composition.

05 ANGLES AND PERSPECTIVES

Experiment with different angles and perspectives to find the most flattering and interesting compositions. Try shooting from low angles, high angles, or from the side to capture unique and dynamic selfies.

when at CHAMPS-ÉLYSÉES AND ARC DE TRIOMPHE

Follow these tips!

Photographing the Arc de Triomphe in Paris can be a rewarding experience, given its grandeur and iconic status. Here are some tips for capturing stunning photos of the Arc de Triomphe:

01 CHOOSE THE RIGHT TIME

Visit the Arc de Triomphe during the golden hour, shortly after sunrise or before sunset, for soft, warm light that enhances the beauty of the monument. Avoid midday when the light is harsh and overhead, casting unflattering shadows.

02 LOCATION

Explore different vantage points around the Arc de Triomphe to find the best angle for your photo. Consider shooting from across the street at Place Charles de Gaulle or from the Champs-Élysées for a wider perspective.

03 SYMMETRY

Position yourself directly in front of the Arc de Triomphe to capture symmetrical compositions. Center the monument in your frame and use leading lines to draw the viewer's eye towards it.

04 NIGHT PHOTOGRAPHY

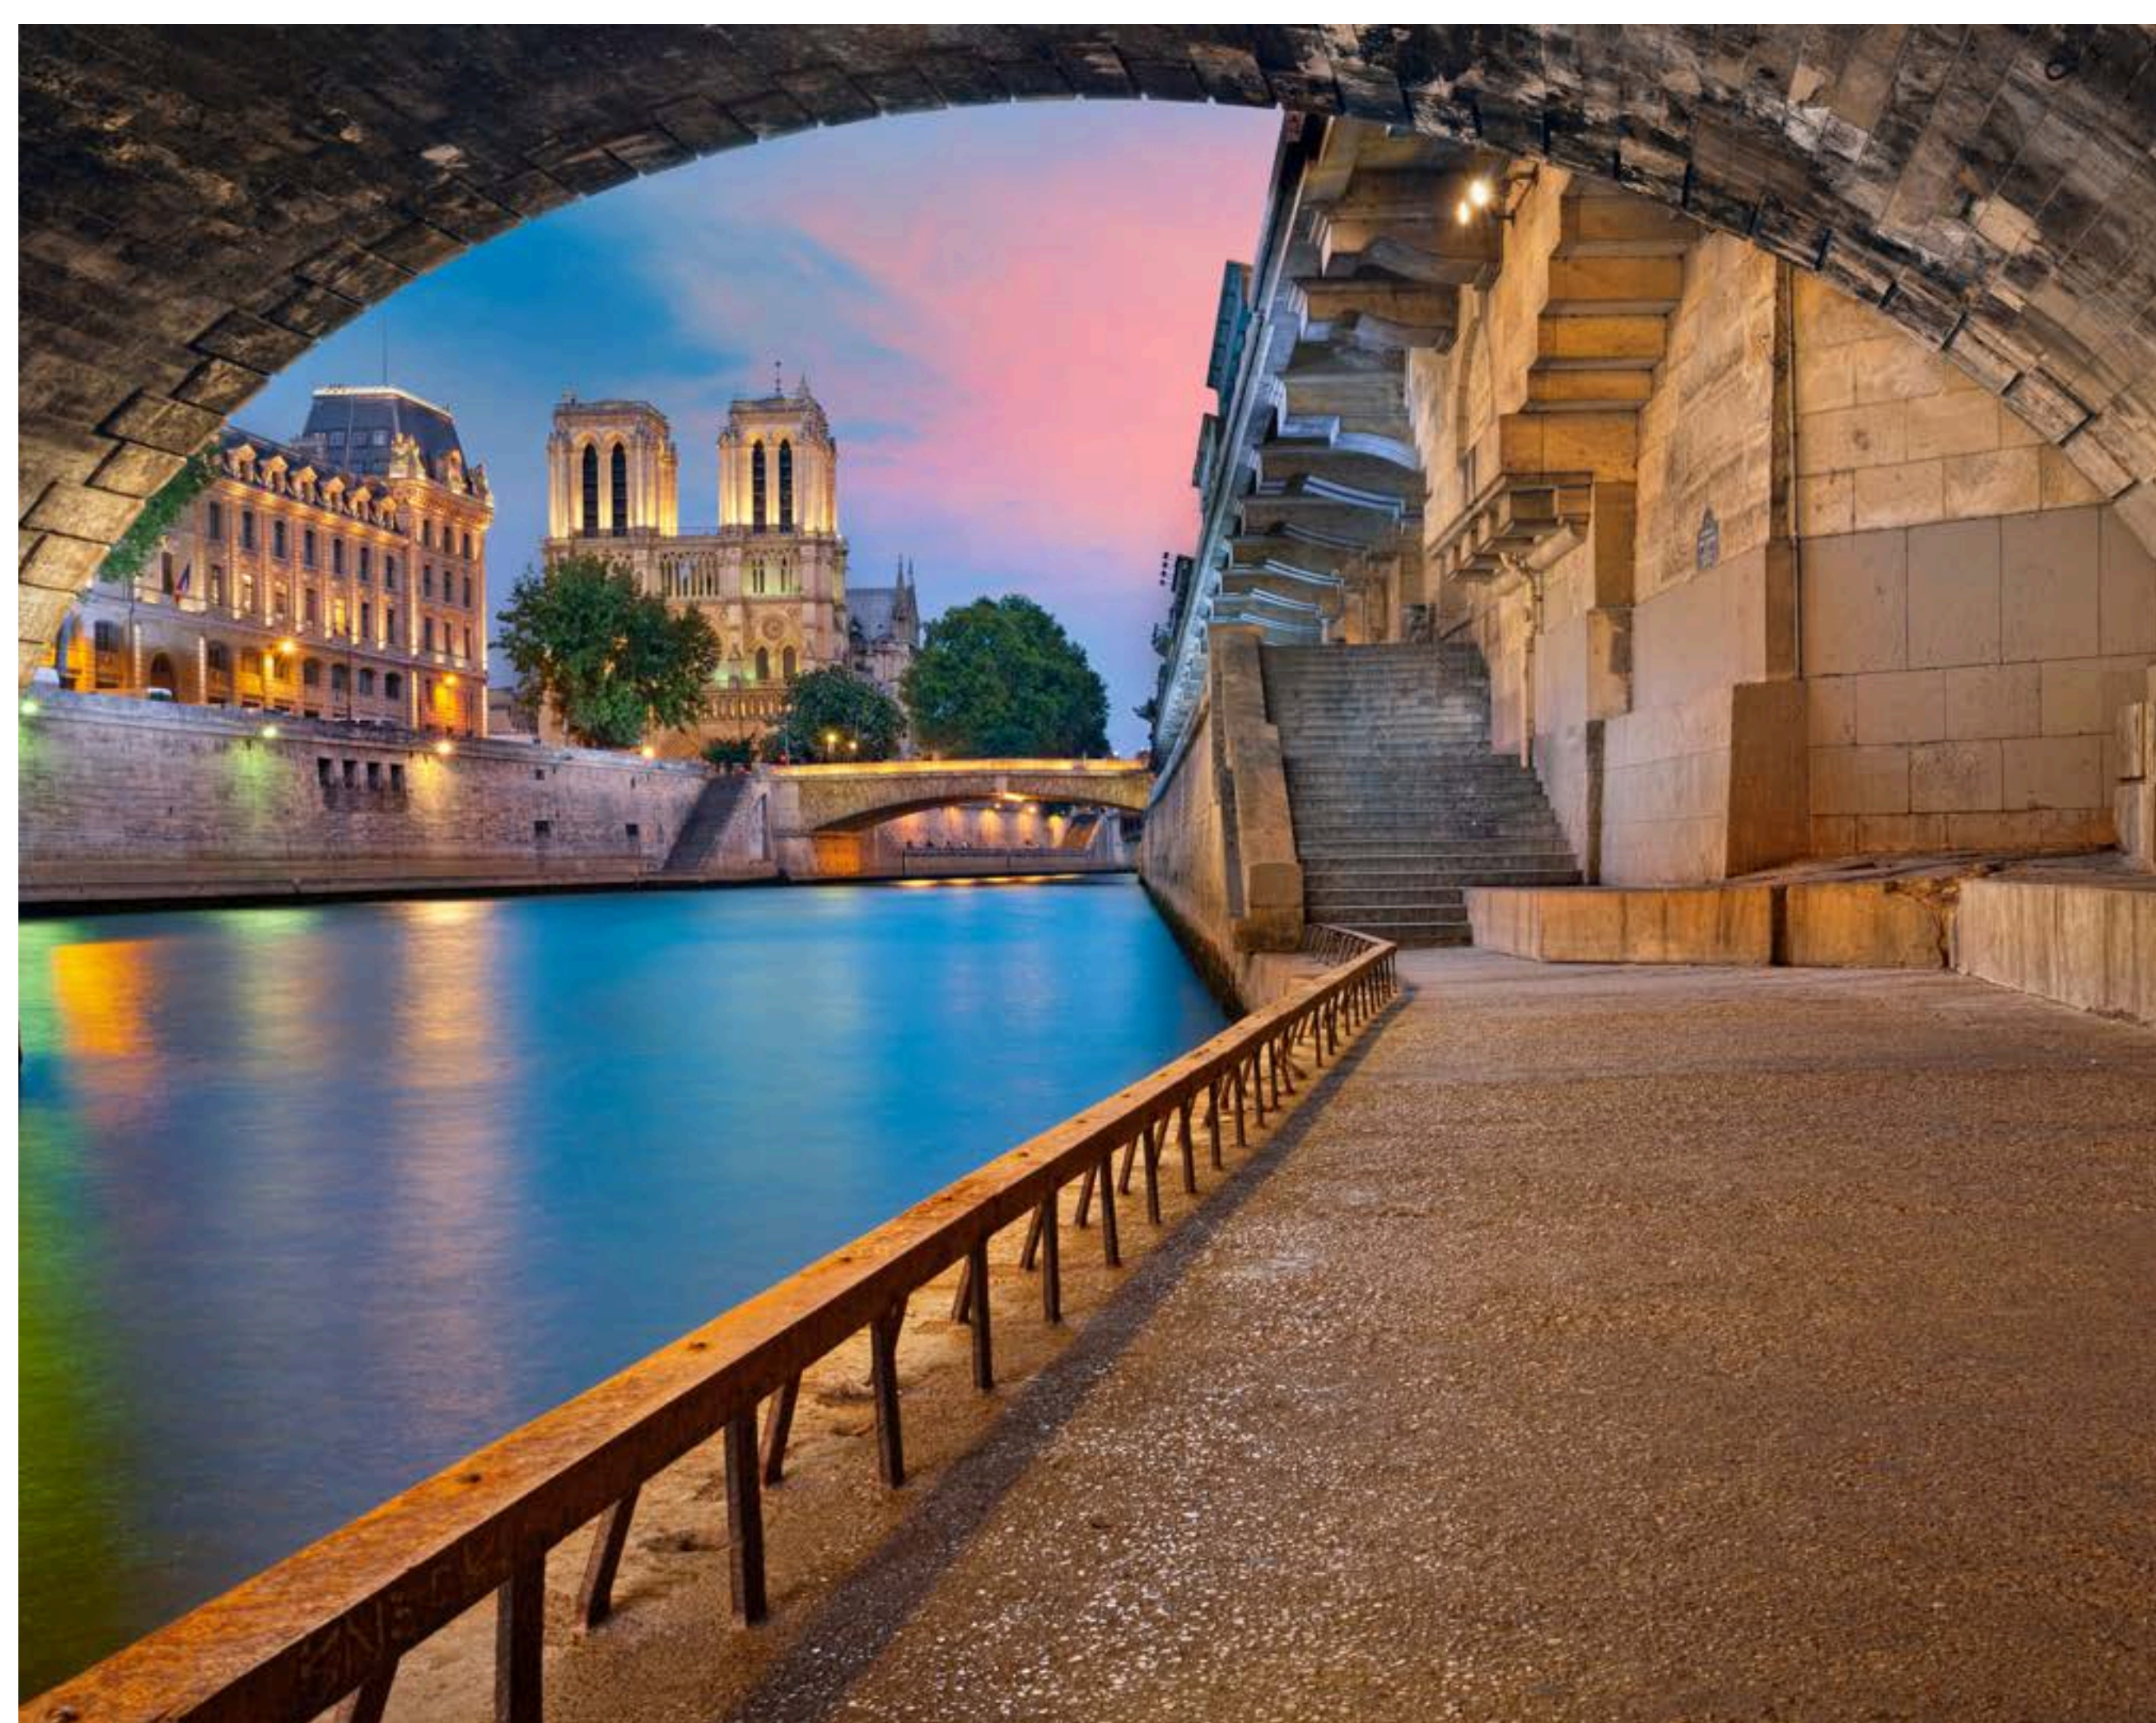

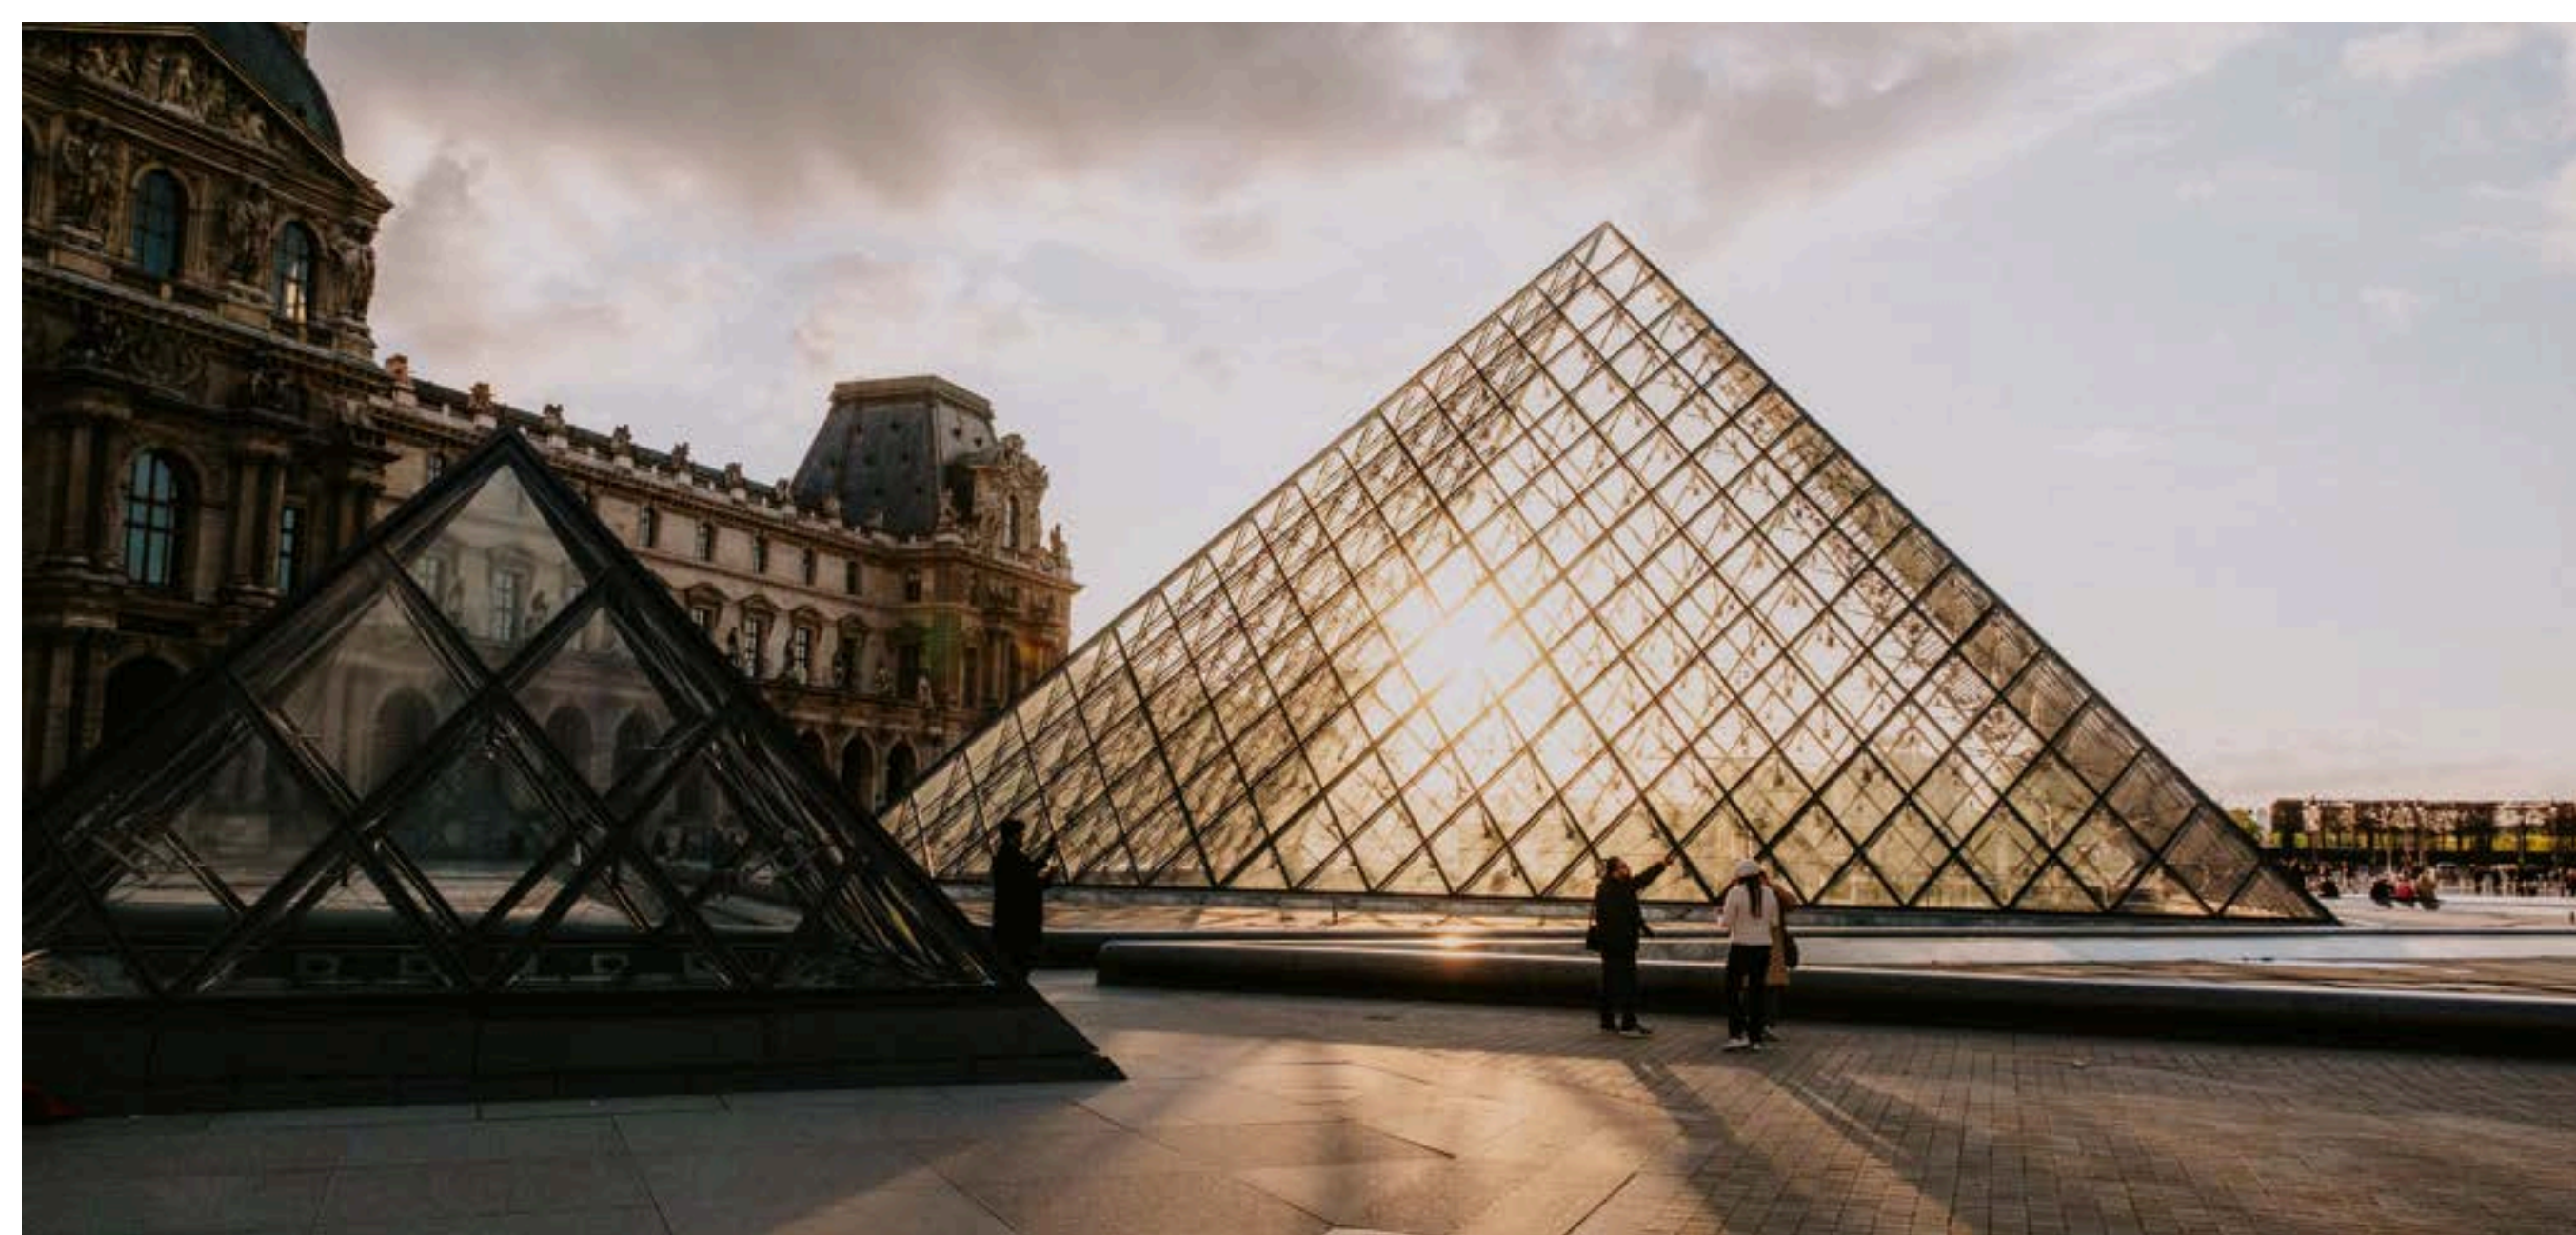

Visit the Arc de Triomphe at night when it's illuminated with golden lights. Capture long-exposure shots of the monument against the dark sky for a dramatic and atmospheric effect.

05 PEOPLE INTERACTION

Incorporate people into your photos to add scale and human interest to your images. Capture candid shots of tourists taking photos, locals passing by, or street performers entertaining the crowds around the Arc de Triomphe.
