Thank you for choosing to spend your day with us and for supporting the work of our talented artists. Here you will find beautifully crafted artwork to adorn your home or yourself, artwork to enrich your life.

The Morning Glory Art Fair is produced by **Wisconsin Craft**, a nonprofit organization. WI Craft provides education and networking opportunities for artists, and continues the tradition of advocating for and celebrating fine craft in Wisconsin communities and the surrounding region. We are proud to have many of our artists' work represented at the show; look for the Wisconsin Craft designation next to their name.

We see everything possible in you.

At the Froedtert & the Medical College of Wisconsin health network, people are the driving force behind everything we do. We know that breakthroughs aren't just for medical journals, they're to help people live longer and live better. That's what gets us going every day. Because we're more than doctors and nurses, researchers and clinicians. We're people helping people. And we never lose sight of that.
