

Ace the 'X' – “Your Sure Shot Guidebook”

Welcome Message

"**Sure Shot 90** is an innovative "Board preparation Tool" designed by **Whiteboard Educations** to empower students of Class Xth to master their board preparations and hence **Ace that "X"**.

Master the Art of Answer Writing:

We go beyond concepts, teaching you how to craft clear, concise, and high-scoring answers.

Break Language Barriers: Don't let language hold you back. Access concept explanations and study materials in multiple languages.

Learn from the Best: Be mentored by industry experts - teachers with over 25 years of experience - who will guide you towards exam mastery.

“

“Board Exams are not a hurdle, but a bridge to unlock your future potential.”

Science Sorcery

“ *Don't be spooked by science! Embrace the magic within. Science is a means that unlocks the wonders of the world, from the tiniest atom to the farthest galaxy.* ”

Feeling lost in a labyrinth of scientific concepts? Dreading the Class 10 CBSE Board Exams? Fear not !! Science Sorcery is your magical potion for mastering science and achieving achieving academic glory.

Beyond Textbooks: Ditch the dry lectures and dive into an interactive learning experience. Get ready to:

- **Engage with Captivating Video Lessons:** Witness scientific phenomena come to life with visually stunning explanations.
- **Explore with Interactive Activities:** Spark curiosity and solidify concepts through fun and engaging activities.
- **Delve Deeper with Detailed Notes:** Reinforce your understanding with comprehensive written material and illustrations.

Master the Art of Scientific Expression: Learn how to communicate scientific knowledge effectively:

- **Structured Response Techniques:** Develop the ability to write clear and concise answers with proper scientific terminology.
- **Chapter-wise Practice Questions:** Test your knowledge with diverse question types tailored to each topic.
- **Diagram Mastery:** Learn to create accurate and informative diagrams that enhance your answers.

Class Syllabus List

SCIENCE

Month :

July 2025 (Chem + Bio)

Week

1&2

Chemical Reactions
and Equations (5
sessions)

Week

3-5

Life Processes (7
sessions) – Includes
Respiration, Nutrition,
Excretion, Diagrams &
Board Patterns

Topics Covered

- 1) Chemical Reactions
- 2) Life Processes

TUITIONS @ 99

Class Syllabus List

SCIENCE

Month :

August 2025 (All 3)

Week

6-8

Electricity (7 sessions) –
Ohm's Law, Circuit
Diagrams, Numerical, MCQs

Week

9&10

Acids, Bases, and Salts (5 sessions) – Indicators, pH Scale, Practical Examples

Week

11

Control and Coordination (4 sessions) – Nervous & Endocrine Systems, Hormones

Topics Covered

- 1) Electricity
- 2) Acid and Base
- 3) Control Systems

TUITIONS @ 99

Class Syllabus List

SCIENCE

Month :

September 2025 (Phy + Chem)

Week

12-13

Magnetic Effects of Electric Current (6 sessions) – Field Lines, Electromagnets, Diagrams

Week

14-16

Metals and Non-metals (7 sessions) – Properties, Reactivity Series, Ionic Bonding

Topics Covered

- 1) Magnetic Effects
- 2) Metals & Non-Metals

TUITIONS @ 99

Class Syllabus List

SCIENCE

Month :

October 2025 (Phy + Bio)

Week

17-18

How Do Organisms Reproduce? (5 sessions) –
Including Diagrams,
Board-style

Week

19-21

Light – Reflection and Refraction (8 sessions) –
Mirror & Lens Diagrams,
Numerical, Case-based

Topics Covered

- 1) Reproduction
- 2) Light and Reflection

TUITIONS @ 99

Class Syllabus List

SCIENCE

Month :

November 2025 (All 3)

Week

22-23

Carbon and its Compounds
(6 sessions) – Bonds,
Nomenclature, Isomers,
Reactions

Week

24-25

Heredity and Evolution (5
sessions) – Mendel, Traits,
Charts & Diagrams

Week

26-27

Human Eye and the Colorful
World (4 sessions) – Eye
Functioning, Defects,
Refraction in Prism

Topics Covered

- 1) Carbon (Optional)
- 2) Heredity
- 3) Human Eye

TUITIONS @ 99

Class Syllabus List

SCIENCE

Month : **December 2025 (Bio + Revision)**

Week

28-29

Our Environment (3 sessions)
– *Ecosystems, Food Chains,
Management of Resources*

Week

30-32

*Board Revision & Exam
Preparedness*

Topics Covered

**Environment &
Sustainability**

TUITIONS @ 99
