The terms and conditions apply in whole or as amended by any attachments duly signed as agreed and accepted by BUYER and SELLER. If conditions other than those included in Memkor Terms and Conditions Statement become a matter of disagreement or conflict SELLER Terms and Conditions Statement shall prevail.

1. AMOUNT AND TYPE OF GOODS. SELLER agrees to sell and BUYER agrees to buy the quantity and type of goods which are described herein or which comply with written specifications agreed and accepted by BUYER and SELLER. (Hereinafter referred to as "Goods/Services") as documented in this contract, BUYER'S Purchase Order, SELLER'S Proposal and /or Quotation, and other attachments signed by BUYER and SELLER.

2. ACCEPTANCE OF ORDER AND EXPIRY DATE. Orders are accepted only upon and subject to SELLER'S Terms and Conditions for Sale of Goods and Services, as printed herein, ("TERMS") and SELLER'S Proposal and/or Quotation. Unless expressly accepted in writing, any qualification or modification of Terms by BUYER in any written or printed document or otherwise shall be inapplicable. Unless previously withdrawn, SELLER'S Quotation expires 30 days after the date thereof. No binding contract shall be created by the acceptance on the part of BUYER, of a quotation or offer made by SELLER until notice of the acceptance of the order shall have been given by SELLER.

3. PRICE AND PAYMENT. The price of the Goods shall be as specified upon SELLER quotation, and attached purchase order from BUYER and written sales acceptance order from SELLER. (hereafter collectively referred to as S.O.) Any deviation on the S.O from SELLER quoted specifications initially requested by BUYER may result in price adjustments. Payment shall be net cash, in U.S. currency, thirty (30) calendar days from date of invoice unless otherwise provided for in writing by Memkor. SELLER reserves the right to require payment in advance or C.O.D. or to modify credit terms either before or after shipment of goods. Invoices not paid by the due date will have a 1.5% per month late charge, with a compounding interest (or the maximum rate allowable by law, if lower), assessed against any unpaid balance from the invoice due date until the payment date, together with Seller's cost of collection (including reasonable attorney's fees). The minimum order amount as established by SELLER is applicable.

4. TAXES AND TARIFFS. Prices are exclusive of all federal, state, and local excise, sales use, and similar taxes, if any. Customers purchasing for resale must furnish, where applicable, a resale certificate that bears the BUYER'S resale permit number. BUYER must pay any taxes as well as any tariffs or customs duty as applicable.

5. DELIVERY. The delivery of the Goods shall be made, in a single lot or multiple lots, as specified in S.O. and shall be made on or before the date specified herein, or within a reasonable time thereafter. The delivery schedule hereof can be extended by SELLER as specified in paragraph 19 hereof or failure of BUYER to pay past due invoices. All installments shall be separately invoiced and paid as billed without regard to future deliveries. Failure to pay for any installment when due shall excuse SELLER from making further deliveries. Delay in delivery of any installment shall not relieve BUYER of its obligation to accept remaining

installments. All claims for delay shall be deemed waived unless presented to SELLER in writing within ten (10) days after delivery of each shipment. The Goods shall be delivered to the place described in S.O.

6. BUYER REVISIONS. Any revisions (including delivery dates) to this order require written notice from BUYER which must be accepted in writing by SELLER. Any such revisions by BUYER may be subject to appropriate charges.

7. ENGINEERING CHARGES. Engineering charges represent the cost of taking SELLER'S existing technology (proprietary) and product database and adapting these to meet customer special needs. All resulting product designs and technology is exclusively the property of SELLER and cannot be disclosed to or manufactured by other third parties without the expressed written agreement of SELLER, who retains exclusive ownership of all contributing technology, data, intellectual property rights, database, and other property and information (hereafter referred to as "Intellectual Property"), except for information and or hardware provided by BUYER or another third party. Engineering charges are billable upon customer approval of the design (if required) and release of the design to Manufacturing.

8. PATENTS AND COPYRIGHTS

SELLER will defend or settle at its expense and indemnify and hold harmless BUYER in any action brought against BUYER alleging that SELLER, Products, or any of their parts manufactured by Memkor INC., infringe a United States patent or copyright, provided that BUYER promptly notifies SELLER in writing of such action, provides SELLER with all reasonable assistance, at SELLER's expense, for the defense or settlement of such action, and grants to SELLER sole authority and control for the defense or settlement of such action. If a final adjudication enjoins BUYER from using the Products, SELLER will, at SELLER's option and expense, either procure for BUYER the right to continue using such Products, or part, or replace or modify such Products, or part so that it becomes no infringing, or remove such Products, or part and refund to BUYER the purchase price, or license fee if applicable, and transportation costs.

SELLER shall not have any liability to BUYER if the alleged infringement is based on the use of such Products, or part with products not manufactured by SELLER which products infringe any patent or copyright, or SELLER's compliance with BUYER'S designs, specifications, or instructions.

The foregoing states SELLER's entire liability for patent or copyright infringement by such Products, or part.

All intellectual property rights in and to the Products, including but not limited to designs, software, firmware, documentation, and know-how, are and shall remain the exclusive property of Seller and/or its licensors. (Failure to give notice within such period shall be a waiver of this warranty and any assistance rendered thereafter shall not extend to revive it.) SELLER shall be allowed a reasonable time after receipt

of such notice to remedy the defect if any, and the BUYER agrees to render friendly assistance. If the product cannot be made to fulfill the warranty and the BUYER promptly returns it to SELLER at its place of business, SELLER will either furnish another product with the same warranty or at its option refund the amount paid, which shall constitute a settlement in full of all claims of every nature, SELLER'S liability being expressly limited to replacing the product.
