PRESIDENTS CORNER:

I am extremely pleased to announce that the rental restriction for all new sales went into effect. The homeowners prior to this are grandfathered and thus does not apply to them. I wish to thank the board members for explaining this to owners and how it would work in the future. Also, a thank you to Donna Burns-Russell and Patty Vealey for getting the word out and also to make sure people (homeowners) showed up for the meeting and we had a quorum to proceed.

At the April meeting I spoke about how all homeowner's and invited guests can play cards and any other function at the club house. Some have tried to circumvent this because of likes and dislikes. I explained in general that we are a senior adult community and act accordingly. There is no room for romper room childlike behavior.

I wish to also thank the volunteers that put on the various activities because without them there would be none.

Please remember that the speed limit is 20 M.P.H. and no exceptions. Please advise your guests as well. Let's be attentive of those walking riding their bicycles and walking their dogs. Their safety is paramount.

Please remember to be considerate of the neighboring units when out walking your pets. Making sure to pick up after them and have pets on leashes.

Another Reminder to all guests and residents utilizing the clubhouse, please remember to turn off Lights, Fans, and return anything moved back to how you found it.

Hoping everyone has a safe summer and no hurricanes. To all the snowbirds return home safely.

If anyone needs copies of the covenants bylaws rules and regulations, please advise Allison or her staff and they will email them to you. Also note that if you want them to print them out there will be a charge for all the copies and they must be paid in advance to Management Professionals.
