PRESIDENTS CORNER:

Hope everyone is well and healthy and in good spirits. As our snowbirds are leaving and heading back north, please ensure that your exterior is hurricane proof. Please put things away so that they are safe, and those items are not uninvited guests to your neighbors.

Still awaiting word from the sheriff's department to schedule a seminar on scamming directed towards senior citizens. Once we know then we will schedule the event at the club house.

The pool is back in working condition after some safety checks were done looking for possible leaks. Also check water levels and remember during the summer there is more evaporation and use the hose to fill up past the skimmer. Your help on this task is greatly appreciated.

Again, please SLOW DOWN and watch out for our residents who are walking and or walking their dogs. Several people still have not complied from Regency Court. Please advise your guests as well.

If you need to book the club house, please mark the calendar and advise the Management Company to avoid any conflicts. Also remember even if you booked the club house you cannot stop other residents from using the bathrooms.

A final note the new Community Watch sign has been posted near the curve for all to see coming into the area and let them know we look out for our neighbors. If you see something, please call the Lee County Sheriff's office to report it asap.

Everyone please have a good and safe summer season. If you need to contact myself or the management company, please do not hesitate to do so.

Respectfully, Brian Campbell
