PRESIDENTS CORNER:

The Board of Directors meeting which was attended by homeowner's asked questions about the budget. The Board voted to adopt the new budget. The new monthly fee will be 335.00 per month effective January 1st 2026. All these extra funds will be added to the reserve account for asphalt for the future. We the Board are preplanning so that when the time arises, we will be money ahead and hopefully not have to do a special assessment.

Also, another subject came up dealing with rumors. There was back and forth conversations and we were able to but these various rumors to rest. The bottom line I advised all those in attendance that they should not be a spreader of rumors. If in doubt call Allison and any Board member and this should avoid hearsay and rumors.

If you have an event planned at the clubhouse you are responsible for your guests and that means "NO PARKING" on any grassy areas. Also please note that any plastic silverware and paper products are for use only by the social committee and their events. If people use it without regard this could affect their ability to use the club house. Please be considerate!!!!

Make yourselves aware and your guests of our 20 M.P.H. speed limit. We have people walking as well as with their animals. Be a good neighbor and SLOW DOWN.

The next Board of Directors meeting is scheduled for January 19th 2026 at 4:00PM so mark your calendars.

Hope everyone has a great Christmas Holiday and remember what the holiday is all about.

If you have any questions, please feel free to call Allison and or myself or any board member so this will help stop misinformation.
