

## Outoftheblue COVID-19 Child Waiver

for children (17 and under), including child spectators and child class participants  
to be filled out by a parent or guardian

### COVID-19 Health Implications:

- Currently does not apply: I agree to ensure that my child adheres to UK government laws regarding COVID-19, including those relating to self isolation and social distancing.
- If my child has, or I think my child might have COVID-19, we will not attend class until s/he is fully recovered and at least 10 days after the first symptom occurred and at least 7 days after all symptoms have gone.
- If someone my child lives with has COVID-19 or if s/he has stayed overnight with someone who has COVID-19, s/he will not attend class for 10 days from the day the symptoms of the person s/he lives with or stayed with started (or the day their test was taken if they did not have symptoms).
- If my child is in a high risk category for COVID-19 as defined by the UK government, I will obtain their doctor's approval before we attend class.

### COVID-19 Practicalities:

- My child will clean their hands with soap and water or sanitiser on arrival at the class.
- My child will not touch anything not belonging to them in the hoop room other than the hoop and the crash mat that have been allocated to them (if participating).
- My child will use hand sanitiser or wash their hands after blowing their nose or coughing or sneezing into their hands.
- My child will place any belongings on the bench in the hoop room in a neat pile away from other people's belongings.
- I understand that my child may wear a face covering if they wish but that this is not required and others in the room may not be wearing a face covering.
- My child will bring everything they need for class (e.g., drinking water, sticky socks, hand chalk). If they need to borrow something from *Outoftheblue* I accept the COVID-19 risk that this sharing may incur.
- **During periods when physical/social distancing is *not* legally required, I understand that the instructor and other classmates may approach aerialists at a close distance or touch them in order to keep them safe and I accept the COVID-19 risk that this may incur for my child.**

### Declaration

I the parent/guardian of the aforementioned child, affirm that I have read and understood the declarations outlined in the *Outoftheblue COVID-19 Child Waiver*.

I understand that failure to adhere to the practical guidance could result in class attendees becoming infected with the SARS-CoV-2 virus, possibly resulting in serious illness or death.

I am aware that *Outoftheblue* has taken all reasonable precautions to prevent infection from COVID-19, but there is still a risk of transmission and of catching COVID-19 while attending *Outoftheblue* classes **either as a participant or a spectator**.

I understand that all my and my child's current and future personal details will be stored and used in line with the *General Data Protection Regulations* and *Data Protection Act 2018*, and will not be shared with any other parties, and that my and my child's names and contact details will not be used for *Outoftheblue* marketing or promotions without obtaining my prior permission.

I therefore declare that:

- I will accept the COVID-19 risks that my child will incur by attending *Outoftheblue* classes;
- *Outoftheblue* and its instructors would not be liable, should my child contract COVID-19 while attending an *Outoftheblue* class or event.
