PLEDGE COMFORT
Heating & Cooling, LLC.

YOUR HVAC PROFESSIONALS

RESIDENTIAL & LIGHT COMMERCIAL

HOMEOWNERS EDITION

ABOUT US

Pledge Comfort Heating & Cooling

is a trusted family-owned business providing HVAC services since 2022.

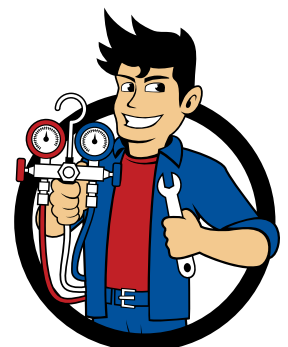

Our company provides services that extend beyond the limits of Cornelius. We are commitment to providing quality services has enabled us to establish an outstanding reputation in the industry. We are proud to serve other areas, including Hillsboro, Beaverton, Aloha, North Plains, McMinnville, Woodburn, Salem, and Portland.

We take pride in providing our clients exceptional residential and light commercial services. Our ultimate goal is to ensure that our clients receive the best possible service and have an amazing experience.

At Pledge Comfort, we prioritize customer satisfaction above all else, and we have achieved this by offering competitive pricing for our services and providing flexible financing plans.

***“Your satisfaction
is our commitment”***

GAS UNIT HEATER

INDUSTIAL HEATERS - LIGHT COMMERCIAL

REZNOR®

Benefits of warm air heater

- Effective heat distribution
- Easy installation and maintenance
- High efficiency units offer significant energy saving.
- Compared with underfloor heating, warm air heating warms up the space much faster and 40% less energy is needed to maintain comfortable temperatures.

Reliable warmth that brings safety, comfort and efficiency to standard indoor industrial/commercial buildings.
