1. Skill  
**Washing Hands**

Mastery Criteria  
**Independent across 5 consecutive observed opportunities**

2. Prompt Hierarchy/Key

I = Independent

G = Gestural Prompt (Point or Physical Proximity)

M = Modeled Prompt (You said, "Do this," performed the skill, and the individual imitated you.)

PP = Partial Physical Prompt

F = Full Physical Prompt

V = Verbal Prompt

3. Write the code for the level of prompt needed for each skill to be completed. Start with a lower prompt than used the session before (e.g., if the previous prompt level was a Full Physical Prompt, start with a Partial Physical Prompt. If success, write 'PP' for that skill. If no success, increase the prompt to a Full Physical Prompt and record 'F.')
