

AIA Idaho Professional Affiliate Membership Benefits

Those with established professional reputations who are registered to practice their professions where such requirements exist, or persons who are employed outside of architectural practice but are involved in positions affiliated to the field of architecture. Professional Affiliate Members may include engineers, planners, builders, landscape architects, sculptors, muralists, artists, and others in government, technology, education, journalism, manufacturing, industry, legal practice and any fields that are allied to architecture.

1. Membership in AIA signifies that you adhere to the professional code of ethics and share a common goal to build a better world for all people.
2. Connect with over 300 Idaho architecture professionals and professional affiliate members and develop new contacts, opportunities, skills and influence through networking, continuing education, mentoring and leadership opportunities.
3. Take advantage of AIA as an industry resource of free business tools and support organization invested in education, advocacy for health, safety and welfare of the public, sustainability and energy efficiency.
4. Attend AIA Idaho programs and events.
5. Offer continuing education to AIA Idaho members.
6. Listing in the AIA Idaho annual membership directory and advertisement options.
7. Share your news and events with other AIA Idaho members through the website calendar, newsletter and e-blast.
8. Stay informed with our monthly newsletter.

AIA Idaho is engaged in multiple industry related programs that our affiliates are invited to support:

- Advocacy (we hire a lobbyist and co-host the annual Idaho Construction Industry legislative reception)
- Design Awards program (every other year)
- State Disaster Coordinator Network
- State Government Network
- ARE test prep program (helping young architects to obtain licensure)
- Idaho Code Board
- Idaho QBS Council
