

**Oconee Middle School PTO "NO-SELL" FUNDRAISER**  
**Our Goal: \$25,000**  
**July 30th- August 19th**

Dear OCMS Parents & Students,

The Oconee County Middle School Parent Teacher Organization (OCMS PTO) provides support to our school in many ways throughout the school year. Each year, the PTO meets with the OCMS administration to identify the most impactful ways that we can provide assistance to the students, teachers and staff.

Last year, with the assistance of our supportive families, we were able to raise over \$20,000 that went towards plans for an outdoor classroom, providing support for teachers with mini grants and appreciation funds, purchasing additional sports equipment and creating opportunities to offer surprise treats for students during the school year.

Our goal for 2022-23 is to provide even greater ways to foster student engagement through the offering of additional events, continue to enhance our student and teacher appreciation opportunities and provide some much needed assistance to some cosmetic upgrades in and around the school buildings.

The NO-SELL Fundraiser model was so well received last year that we decided to do it again this year! Once again, you as parents & students will not have to sell anything in order to help provide this much needed support for OCMS. In doing so, 100% of your donation will go directly back to the school.

We are excited to be able to provide this type of impact for our school and hope that you all will join us in helping to make the 2022-23 school year an incredible one for our students, teachers & staff.

Donations will be accepted July 30th- August 19th and can be taken online through one of the links below or by completing the attached form and attaching a check made payable to OCMS PTO.
