Why Choose us?

We have been doing fundraisers for schools, churches and other groups since 2000.
We offer multiple fundraising options for you to choose from.

Last year we raised over \$200,000 for our customers.
We offer grade A fresh fruits and vegetables that have been blanched and flash frozen and ready to cook.

It's a healthy alternative to traditional fundraisers.
It's so popular that most groups sell three times per year.
It's also a quick and easy process.

Groups normally sell 3-5 weeks and only takes about one hour to handout the day we deliver your order.
Your group makes an average of \$5 per bag sold.
Most groups sell 300-500 bags per sale with some groups reaching over 1,000 bags per sale each order.
