

# Nurse Aide Examination — COVID-19 Testing Requirements for Candidates

## Nurse Aide Candidate Testing Requirements

- To protect other candidates and staff, you will not be admitted to the test center and you should reschedule your exam if you:
  - Have been diagnosed with COVID-19.
  - Have you been in close personal contact with someone with a confirmed diagnosis *\*Medical and healthcare professionals - please see exception below*
  - Have had any flu-like symptoms in the last fourteen days, including fever, chills, a cough, sore throat, or shortness of breath
  - Have been or are under home quarantine or centralized observation by government or healthcare authorities
- You will be asked to acknowledge that you meet the above health requirements and that you will follow health and safety guidelines while testing.
- You will be required to complete a **liability waiver**. Under 18 years of age must have a parent or guardian signature or will not be allowed to test. Waiver can be found on the Pearson VUE Nurse Aide Website for your state.
- **You must bring and wear your own face mask while you're at the test center and throughout your exam. Any surgical or cloth face mask, including a homemade face mask, is acceptable as long as your nose and mouth are fully covered. Candidates without a face mask will be denied testing services. We are unable to provide face masks to candidates. *Neither face masks with exhalation valves nor face shields are acceptable.***
- Stay 6 feet away from other people in the waiting area and during the admissions process.
- Some test centers may require candidates to provide a temperature check upon arrival.

*\*Medical and healthcare professionals where **both** the medical/healthcare professional and the patient were wearing the appropriate personal protective equipment (PPE) are an exception.*
