

West Point Parents Club of Southeastern Pennsylvania Serving the Greater Delaware Valley

Welcome to the West Point Parents' Club of Southeastern PA:

We are thrilled that you have decided to join our club, and we look forward to your involvement in our club programs, activities, and events.

Your membership is a one-time fee for your entire experience as the parent of a West Point cadet and beyond!

We are here to assist you along the way. The club's mission is to "support regional parents and families of current and prospective Cadets of the United States Military Academy at West Point as these Cadets endure the rugged and demanding, physical, and military training program".

Among other things, the club does the following:

- Meetings, picnics, and social events
- "Boodle" (gift/snack box) parties
- Keep Cadet families apprised of USMA special events and issues unique to the USMA experience through e-mails, meetings, website, and our Facebook page
- Provide the cadets with a holiday gift during December TEEs week
- Assist with the Delaware Valley All Academy Ball
- Wawa runs to your cadet on Academic study days
