SPECIAL EDITION

To Our Weston Family:

Does anyone have a crystal ball? While the rumor mill has indicated that senior centers will be able to open in July, we have not received permission from the Governor to do so. And so we wait. We are as anxious to open as you are, so as soon as we get approval, our doors will be open!

We miss you all! We have enjoyed our short visits with those of you who have taken advantage of our Quarantine Quarts, those who have dropped off their taxes and those who have stopped by for one reason or another but we are anxious to have you all back at the center.

This July Special Edition of the newsletter will give you the most recent information we have regarding happenings at the center. We have included both the menu and the Quarantine Quarts options. Please make note that once the senior center opens, the menu will go into effect and Quarantine Quarts will no longer be offered.

Upon our opening, our normal procedures will no longer be quite so normal. Many of our procedures will need to change in order to provide a safe environment for all who attend the center. We will do our best to make these changes as seamless as possible and we ask for your cooperation as we implement them.

Continue to watch our Facebook page and our website for up to the moment information regarding the center.

We hope to see you soon. In the meantime, stay happy and stay safe!
