

ShopWithScrip®

Get your gift cards through Weston and help to support our center. Please share this information with your friends and family, additional order forms are available at the front desk and on our website.

1. What is SCRIP?

SCRIP is simply gift certificates or gift cards. You purchase them for their face value. They look the same as gift certificates / gift cards you might purchase directly from the store. You use them at the store, restaurant, gas station, theater, etc....the same as cash.

2. How do we raise money with SCRIP?

The participating retailers agree to sell us the gift certificates for less than their face value. You pay what they are worth (the face value) and the difference is our profit. The profit is issued to the Weston Senior Center.
