

# Mulch Fundraiser

## Important Dates

**Tuesday, January 22nd Fundraiser Begins**

**Friday, February 1st Fundraiser Forms Due** – turn into Band or Color Guard Directors

**Saturday, March 2nd 9:00 am to 2:00 pm – Orders picked up in TMHS parking lot**

## Distribution Options

1. **For students or customers who have individual orders of 40 bags or more** – We can deliver the mulch to the customer or student's driveway – within 10 miles of the school. Specific arrangements will be coordinated prior to distribution day.
2. **Band students are encouraged to pick up and distribute their orders.**
3. **If they prefer to, buyers may pick up their own orders at Tomball Memorial High School.**

Please make sure that the distribution process for each sale is marked on the Order Form.

**All students are asked to sell 20 bags of mulch.** If all students sold 20 bags, the total funds raised for the band would be over \$10,000. The money will be used for program elements for next year's marching band.

**Tax Deductible Donations.** If you prefer not to participate in the mulch fundraiser, a \$50 donation would be equivalent to the money raised by selling 20 bags of mulch. Donation checks should include the word DONATION in the memo of the check and should be made out to TMHSBBC. Please send donations back in the fundraiser envelope.

## Prizes for Top Sellers

Prizes will be given for top individual sellers in each grade and for the section with the highest percentage sales.

## Band Prize if funds raised top \$7,500

If the band raises over \$7,500, a movie and pizza night will be hosted by the TMHS Band Staff for the entire band. The winning section will choose the movie (as long as it is deemed appropriate by directors).
