

## Meet our 2025 Judge!

*Hannah Shepherd is an artist and art educator who enjoys exploring a wide range of media—from acrylic painting and photography to more recent adventures in fiber arts. She holds a BFA from Rochester Institute of Technology and an MS in Art Education from Syracuse University. As a teacher, she loves helping students discover their creative voices, and as an artist, she's always curious about new techniques and materials. She's honored to be a judge for this year's show and excited to celebrate the local talent in our community.*
