

Guidelines and Information for Teachers

AANNY tries to offer a variety of workshops and classes that are open to members and non-members. You do not need to be an AANNY member to teach. Please contact Beth White if you are interested in teaching and have questions. Her contact information: beth.white66@yahoo.com

We will advertise the class on our website, at the art center, in the local papers and on local websites. It is very important to get your information to us by the end of January 2019 so that we can take advantage of seasonal publications with early deadlines. I am also planning to create a Program Guide which we can print and distribute at our Gallery.

Cost of Class

The teacher will receive 75% of the total cost charged to MEMBERS. AANNY receives 25% of the total cost to members plus any additional cost charged to NON-MEMBERS. So make sure that your cost of materials, supplies and your teaching fee is included in your total cost to students.
