CPC Peach Festival August 3, 2024

Our beautiful peach tree in full blossom, readying itself to produce peaches for our Peach Festival. Peaches that we use to make 80 gallons of peach ice cream, baked goods, peach jam, and so forth. Can one little tree do all of that?

NO, it can't.

It takes . . .

An entire orchard!!! And so it is with the Peach Festival. A small group of people cannot accomplish as much as an orchard of people.

There is a place for every CPC Peach

See what branch you belong on, talk to one of the Peach Pit Crew.

Once again we would like to welcome our donors as well as making sure we are getting accepted items. So we will need plenty of *greeters*. A sign-up sheet is forthcoming.

We are looking for someone to go through the children's books we receive and sort and price.

If you enjoy all kinds of books, maybe this is your branch to hang out on ~ AND you don't have to do it alone, get others (friends, family) to lend a hand ~ more hands make lighter work.
