DIRECTOR'S CORNER

Thoughts from Director Jerry

Each month I sit down to write my article for the newsletter. I usually don't know what my fingers will do on the keyboard. Then I begin. December however is different.

Why? Well, for one, close proximity to Thanksgiving. My favorite holiday by far. Why? Food, family and you don't have to buy gifts...used to include football but that ship sailed 10 years ago.

The other reason is that the December newsletter is when I reflect back on the years happenings here at the North Cascade Harley Owners Group #476701. And believe me, there's a lot to reflect on.

We got in our first Mid Week Ride way back in January. That would be followed by many others to ride great roads, see beautiful scenery and be with friends. Our After Meeting Ride and 3rd Saturday Rides kept us putting on the miles.

The Fish and Chips Run in May, FBR and Rockies2Pacific in June, Joyful Noise and Chaplain's Rides in July, Director's Ride in August, 9/11 Memorial Ride in September. Whidbey Island. Artist Point. Winthrop. Mosquito Lake Rd. Lake Whatcom. Pistol Shoot. Mini-Golf. J&D BBQ. Joint chapter picnic with Puget Sound HOG. Our monthly HOG TROUGH dinners, dealership BBQ's and events such as the Bike Show, Zombie Party and Chili Cook Off. 1st Sunday Meetings, our upcoming Christmas party. So many things. So much good stuff. So many good friends.

My favorite though is and always has been our monthly Officer Meetings. With a full contingent of officers both primary and discretionary, we will have 14 to 16 NCHOG members come together, meeting in Burlington at Foothills Toyota, to plot and plan for our chapter. Most arrive early for our 5pm meeting and the room is alive with conversation until I gavel the meeting to order.

Continued on next page.....

Director, Continued from previous page....

Occasionally we finish before Toyota kicks us out at 7pm but most often members continue to visit as we exit the building, and the friendship and fellowship continues in the parking lot. Often, folks agree to then meet somewhere local for dinner. Not only is chapter business conducted but we all just enjoy a plain good time. During my tenure as Director, I've been blessed to have the opportunity to work with the best most dedicated and cooperative people I've ever met.

Over the last 2 months our chapter has worked through the yearly process of seeking nominations for officers, distribution of ballots, tabulating those votes and filling each position. I am thrilled, again, to announce that we will have a full crew of folks willing to give of their time and talents toward serving our chapter.

I, along with several others, have agreed to stay on for 2026. We're also excited to welcome some new blood to our merry group of officers and volunteers. Thank you all, truly, sincerely.

See you soon and thank the Lord for all of the blessings that He has given us.

~Jerry

I have decided to continue on as your Assistant Director for 2026. This will provide stability and continuity to our chapter while we host the Rockies 2 Pacific event. After 2026, I will be stepping down. Maybe one of you will be ready by 2027. A nice way to learn the role would be to shadow me at some future officer meetings after July 2026.

LADIES OF HARLEY

Hard to believe this year is coming to an end. As your LOH officer for the year 2025, I wanted to thank you all for your support. Without you, there would be no LOH. I have appreciated you showing up and participation.

Earlier this month we gathered at Rhonda Jensen's home to help with table decorations for our Christmas Party. 🌲 we missed you Ladies that weren't able to make this fun gathering. A big thank you to Rhonda for having us. Of course there was lots of laughter and shenanigans 🤪

We will be having a Christmas Party, December 11th 12:30. It will be a White Elephant. I was thinking between \$20-25. Remember you can steal a gift, if you incline to 😁 Will be at Bob's Burger and Brew. 9394 Old Hwy 99, Burlington. Hope to see you all there, as we close out the year 2025.

Thanks to all who bought for our Christmas Families. Again your generosity to others is above and beyond 🥰 There will be 3 Families, totaling 15 kids that will have a Merry Christmas. Looking to deliver to Concrete Elementary School, Tuesday December 16. Will meet at the American Legion in Sedro Woolley around 10:00 am for those who would like to drive up and help deliver.

As you know there will be a new LOH officer next year. I'm sure you will give her as much support as you have given me. ❤️

Here's wishing you all A Merry Christmas and a Blessed New Year.

Always in friendship, and with ❤️
Katie M

HEAD ROAD CAPTAIN

H.O.G. THE WORLDS GREATEST MOTORCYCLE RIDING CLUB!

**I'm still looking for volunteers to help with the Rockies
2 Pacific ride events July 16, 17, 18 in 2026.**

Mostly, I need some members to help with riding Q&A, sign-up and staging at Sound Harley-Davidson those mornings. If you can spare a few hours of your time, let me know and I'll keep you in the planning loop.

This time of year, our riding opportunities are dependent on the weather. Watch for Mid-Week Rides that I'll post in Facebook and Mailchimp emails.

We will have a Road Captains meeting at Foothills Toyota on Saturday, January 24 beginning at 1 pm. I'll bring some snack foods and info to share. We will discuss Road Captain topics, build our NCHOG ride schedule through June 30, and begin coordination for the Rockies 2 Pacific guided rides in July. Please join us if you are interested.

To maintain stability for our chapter, I will continue as Head Road Captain in 2026. However, I'm happy to mentor anyone who would like to step into the role for 2027.

Let's Ride,
John Garrigues, NCHOG Head Road Captain

SAFETY WITHIN

By the time of publishing, Thanksgiving will have passed without me having lost as much weight prior as I planned! Christmas party and winter fest are next, and then to enjoy time with family, along with Christmas wishes for Amazon drivers, with their daily (seems like) visits!

Luke 2:1-20

2 In those days Caesar Augustus issued a decree that a census should be taken of the entire Roman world. ²(This was the first census that took place while Quirinius was governor of Syria.) ³And everyone went to their own town to register.

⁴So Joseph also went up from the town of Nazareth in Galilee to Judea, to Bethlehem the town of David, because he belonged to the house and line of David. ⁵He went there to register with Mary, who was pledged to be married to him and was expecting a child. ⁶While they were there, the time came for the baby to be born, ⁷and she gave birth to her firstborn, a son. She wrapped him in cloths and placed him in a manger, because there was no guest room available for them.

⁸And there were shepherds living out in the fields nearby, keeping watch over their flocks at night. ⁹An angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were terrified. ¹⁰But the angel said to them, "Do not be afraid. I bring you good news that will cause great joy for all the people. ¹¹Today in the town of David a Savior has been born to you; he is the Messiah, the Lord. ¹²This will be a sign to you: You will find a baby wrapped in cloths and lying in a manger."

*¹³Suddenly a great company of the heavenly host appeared with the angel, praising God and saying,
¹⁴"Glory to God in the highest heaven,
and on earth peace to those on whom his favor rests."*

¹⁵When the angels had left them and gone into heaven, the shepherds said to one another, "Let's go to Bethlehem and see this thing that has happened, which the Lord has told us about."

¹⁶So they hurried off and found Mary and Joseph, and the baby, who was lying in the manger. ¹⁷When they had seen him, they spread the word concerning what had been told them about this child, ¹⁸and all who heard it were amazed at what the shepherds said to them. ¹⁹But Mary treasured up all these things and pondered them in her heart. ²⁰The shepherds returned, glorifying and praising God for all the things they had heard and seen, which were just as they had been told.

With all the bustle of the season it is so refreshing to relax and read Luke's account of Jesus being born, and knowing he came to earth from heaven for our salvation and forgiveness of our sins. But in the meantime I am blessed to enjoy time with my beautiful wife, our Harleys, and family.

My 1st Christmas of my retirement years, yahoo!

Love you all, may God bless

FROM DONI

IT HAS BEEN A GOOD RUN!

I just wanted to take the time (and space) to tell everyone "Thank You!" for all the support these past 6 years as your newsletter editor.

When I first joined NCHOG as Jerry's sweetie I was a timid little thing, and just sat in my corner. Over time, people like Pam and Jack Robinson brought me out of my shell, and somehow I morphed into this outgoing, slightly annoying person you know and occasionally tolerate. When I started helping Jerry with the newsletter (he was the editor), I was thrilled to find it an outlet for my creative side, and was happy to be voted in when he moved on to *bigger* things.

From 2022 to 2024 I added Activities Director to my plate. Rhonda stepped forward in 2025 and she has done a bang-up job! I know you were terrified Squirrel, but you kicked it's a**!!

This year I took on the Webmaster position (without knowing anything about website building) which for me, ended up being a tribute to our friend Terry, I know he would be proud of me. And thank you to Kenny Vickers for being the Yoda to my Young Jedi. I learned a lot, and am now the webmaster for the Rockies2Pacific Event.

Anyway, I am so pleased to have Stephanie Knight, one of our newest members, raise her hand to take over the newsletter. I hope you have as much fun creating it as I have!

Being an officer is a great way to be a little more involved, and to be a bigger part of what we are about and what we do. It is fun and a different level, and it brings about a sense of ownership and pride. We have brought our Chapter back from an abyss that began in 2019, and we are thriving and growing. Our culture is a little different and maybe not for everybody...but we have forged strong bonds and made some pretty good memories!

I hope you all try it sometime!
Hugs to you all!

2026 SECRETARY

Hello All!

Let me introduce myself. I am Connie Piper and I will be doing my best to fill the shoes of Pam Reeves as your new Secretary. Dean and I are celebrating our first anniversary with the NCHOG Chapter and believe me I was not planning to be in any position, important or not. We were immediately pulled into this wonderful family and my type A personality took over and here we are. WISH ME LUCK ! I ride as a passenger on our 2016 TriGlide, Stormy, and love every minute of it. Yes, I have taken the riding class (twice) and you put me in a parking lot and I am all over it but the highway messes with my head and fear sets in so I sit behind Dean feeling safe and sound.

Dean and I have been married for 56 years and have 2 boys, 2 daughters in law, 4 grandchildren and 1 fabulous great grandson, many of you have met Fynnegan. Fortunately most live close and we are able to spend much time together.

Being a Navy wife brings many adventures into your life and I think it taught me to be independent and how to figure things out at a pretty young age. It was a life I learned to love. We actually did not move as often as some because many of Dean's tours meant he would spend more time at sea than at home so we stayed put. Our biggest adventure was spending 3 years in Japan. From there we came to Whidbey Island in 1982, bought our farmhouse in 1984 and are still there. My Navy career began in 1984 as well. I entered as Hospital Corpsman Third Class and was sent to a transport squadron where I pushed to become an Aircrewman and am officially the first Corpsman to get a waiver to become a flyer in the Navy Reserves, I later became the first Corpsman to qualify as a Loadmaster on a 737 transport (passenger/cargo) aircraft. I had the best career one could ask for, retiring after 26 years, as the Reserve Command Master Chief and still flying.

My home life has been spent crafting, gardening, and continually renovating our house and anything else I can envision a new life. Life is ever changing and I want to experience as much as I can. There are still many wonderful adventures with roads to travel waiting for us all. LETS GO RIDING!

~~*Connie*

WELCOME BACK DARLENE!

Some of you have known me for years. My late husband, Buzz was the Chaplain of our chapter for a total of eleven years. We joined the chapter around 1991.

I was a passenger for about 16 years and decided to give myself the Motorcycle Safety Course for my fiftieth birthday. Mind you my birthday is in January! When I got up on that sleety Sunday morning and headed out for the riding portion of the course, Buzz decided I was more serious about riding than I realized. I rode that bike and my Harley for several years. But when traffic made Highway 2 not fun to ride, I happily went back to being a passenger.

Buzz went home with his best friend Jesus in March of 2023 and I felt a need to continue to support NCHOG and the friends/family who are here. I have been diagnosed with Parkinson disease since 2018 and live near Snohomish so cannot participate in everything I think I should.

I do plan to help out during the R2P event and will stand in for Chaplin Mark during his recovery after surgery. So you will be seeing and hearing from me.

*Ride safe and God Bless!
Darlene H.*

Saturday, December 6th! — THE LEGENDARY NCHOG CHRISTMAS CELEBRATION!

This year, we're rollin' back the clock and crankin' up the jazz for The Roaring 20's Prohibition Ball at the Skagit Casino Resort Ballroom. Think smokin' flappers, slick bootleggers, and a little bit of outlaw on the side.

Doors swing open at 5:30 PM sharp, but you'll need the secret password to get in, capisce? Santa and his Moll will be on the scene for some unforgettable photo ops, so bring your best mug. A plated holiday dinner will be served, with a cash bar that will feature some of the finest prohibition whiskey in these hills! We've got a silent auction to benefit the Concrete Christmas Fund, plenty of door prizes, the year in pictures, and a photo booth to capture every razzle-dazzle moment.
