A Chat with the DJ

MB.. You Have very kindly agreed to do a mix for the podcast but I feel its always good for listeners to get to know you a little with a 5 step Q & A.. So we know that you play the deep, melodic and progressive style but when did you start to DJ and what made you take the step from punter to player?? (as in the DJ kind)

Cris: Hi MB, I'm very happy to be part of this beautiful project! The love for electronic music began when I was approximately 12 years old, from then on I began to listen to various genres until in 2018 I heard for the first time to Mariano Mellino doing a warm up to none other than Guy Mantzur, at Crobar, a dance club here in Buenos Aires, from that moment I knew I wanted to be a progressive house DJ. In 2019 I had my first official date at an important club in the city, INK (Buenos Aires).

MB.. If you can share one musical memory with us, as a DJ or punter, which has lodged itself in the memory bank, what is it??

Cris: A magical moment as a DJ was, as I mentioned earlier, the first official presentation I had. All the audience present applauded me incessantly at the end of the set, it was something incredible. And as a spectator, it was in 2019 to see Hernan Cattaneo playing for 6 hours non-stop in Forja (Córdoba, Argentina). It was incredible the atmosphere that he created when he was mixing one track after another, in simple words, a total genius.

MB.. Tell us about a significant moment in your Dj'ing career?? (A warm up slot for a name, release of a track, the moment we asked you to do a mix 😊 !!)

Cris: Another great moment for my career was the support of Diego Berrondo. He played my track 'Fly Away' remixed by Rodrigo Lapena & Gonzalo Sacc in a radioshow.

Often you listen to other people's songs in different mixes, but listening to one's own production being played from an artist that you admire a lot is something priceless.

MB: What are your 5 all time significantly important and memorable house tracks, ever..... The ones which you hear and it takes you to a time and place and just makes you smile !!!!!

Cris: Oops, what a difficult question, I have many, but I think the ones that bring me the best memories are these:

1. Armen Miran - Reborn (Volen Sentir Sunset Mix)
2. Guy J - Day Of Light (Original Mix)
3. Sous Sol – La Voz del Pueblo (Original Mix)
4. Chaim Feat. Meital De Razon - Love Rehab (Original Mix)
5. Khen – Pecas (Original Mix)

MB.. What is your favourite place in the world and what makes it so special to you ??

Cris: My favourite place in the world is where I currently live, the city of Wilde (Buenos Aires). This was where I had the best personal experiences as well as a DJ. I think that the best parties in the south of the province are celebrated here by far.
