DANIMALS SWEEPSTAKES: THE EXPOSÉ - Fall semester 2023

A group of people sit in a semi-circle. They are talking about the past, specifically the early 2000s.

PERSON 1

Hey. Do you guys remember when Cole and Dylan Sprouse promoted Danimals? I wonder if they regret that nowadays.

PERSON 2

Oh my god YEAH! That was such an era... Didn't they have some sort of cruise sweepstakes too?? Who ended up winning that??

PERSON 1

I was actually thinking about that the other day. I looked it up and I couldn't find ANYTHING! It's so weird like who the hell won the danimals sweepstakes?

PERSON 3

Guys can we not talk about that anymore? Like I would actually rather talk about anything else.

PERSON 2

Damn okay... It wasn't- like that serious of conversation but alright.

PERSON 1

Whatever. Have you seen that our math professor moved our test to next week? I'm SO relieved because I-

PERSON 3

Deliver this line in the most dramatic way you can

OKAY! I give in! I have something to tell you all. I was the person who won the danimals sweepstakes. Yes. I know... It's my deepest and DARKEST secret.

PERSON 1

Dude what?! Why didn't you tell us that before that is so cool!

PERSON 3

NO!!!! It was the WORST experience of my life!!!

PERSON 2

What happened???

PERSON 3

I really don't want to get into it right now. Can you please respect my privacy?

PERSON 2

Oh... Oka-

PERSON 3

FINE! I'll tell you!!! I am actually talking to the author of the I Survived books, Lauren Tarshis, about writing a book about my experience so I might as well get this out anyway.

Okay... (DEEP and DRAMATIC inhale/exhale) This trip traumatized me so much that I CANNOT AND WILL NOT EAT DANIMALS. We couldn't eat anything but danimals the entire time. I know it sounds ridiculous but it's true. I can't even LOOK at that damn mascot without breaking down in tears, he haunts me. Cole and Dylan HAUNT me. Every time I would brush my teeth, the toothpaste would be strawberry banana Danimals. I couldn't even go to the POOL in peace because the water was replaced with danimals. I did eventually meet Cole and Dylan, but they KEPT OFFERING ME FUCKING DANIMALS!!! I COULDN'T TAKE IT ANYMORE. I thought about jumping off the ship and just swimming back to land, but that fucking monkey mascot was EVERYWHERE. He would just watch me. All the time. AND OFFER ME DANIMALS!!! There was literally no solid food on that ship and believe me, I looked. It was just danimals. There wasn't any water either, it was literally just danimals. I can't believe I was on that ship for a full week and survived off of FUCKING YOGURT.

Person 1

Holy shit man... how high are you right now?

Person 2

That is legitimately the craziest thing I've ever heard like- literally ever.

Person 1

So like... if I told you I had a danimals in my backpack
right now what would you do?

Person 3

YOU BETTER FUCKING NOT HAVE ONE IN YOUR BACKPACK

*Person 1, not taking person 3 seriously at all slowly reaches in their
backpack and takes out a danimal. Person 3 screams and flips out. They
run away, still screaming.*

BLACKOUT

SUPPORT GROUP - Fall Semester 2022

AMELIA

Hi everyone, welcome to this week's support group meeting.
Would anyone like to start us off?

NOAH raises his hand

AMELIA (CONT'D)

Oh! Noah, go for it!

NOAH

Hi everyone I'm Noah

Everyone says "Hi Noah"

NOAH (CONT'D)

I recently got divorced and I'm having a really tough time
dealing with it. I don't- I don't even know what I did
wrong!

AMANDA

It can be tough dealing with separation, and we are here
for you Noah. Is there anything you'd like to talk about
specifically?

NOAH

No, not really. My wife is refusing to talk to me
so... there's not much I can do except sign the papers.

AMANDA

I'm sorry Noah, if there's anything we can do to help you please let us know.

Everyone nods in support

AMANDA (CONT'D)

Alright, would anyone else like to go?

CHARLOTTE raises her hand slightly.

CHARLOTTE

Hi... I'm Charlotte

Everyone says "Hi Charlotte"

CHARLOTTE

I'm having a really hard time with my anxiety recently. I think it's because the school year is starting to get more difficult, but I don't know how to make it any easier for myself.

JACK

Yeah, I've been feeling the same way. I'd be willing to study with you if you'd like!

CHARLOTTE

Thanks, Jack, yeah I'd love to do that.

AMANDA

Would anyone else like to go today? We have time for one more...

LUCY raises her hand, she looks like she's about to start crying

LUCY

Hi everyone, I'm Lucy

Everyone says "Hi Lucy"

LUCY

I'm just... I'm really sad about-

LUCY breaks down sobbing

AMANDA

Lucy? What are you sad about?

LUCY

I'm really sad about Eddie Munson's death!!

Lucy continues to cry. NOAH tries to hold in his laughter

LUCY

SHUT UP NOAH! EDDIE WAS THE LOVE OF MY LIFE!! DID THE LOVE OF YOUR LIFE FUCKING DIE?! NO!!!

NOAH is speechless

LUCY

No one should joke about his death. I've never been so sad about something before. I wasn't even this sad when my Grandma died. Eddie and I were meant to be, even if he is fictional. I really thought that we were going to be together.

CHARLOTTE

(trying to relate) I mean I guess I can sort of relate, I was really sad when Daenerys died in Game of Thrones, but... I don't think I was this upset...

JACK

Oh yeah, I was pretty upset about some of the Grey's Anatomy deaths, but I think I only cried at Lexie's death...

NOAH looks over at JACK

JACK

What? It's good entertainment!

LUCY

You all OBVIOUSLY don't get what its like to be devoted to a character! He only had 20 minutes of screen time and I decided the minute we locked eyes that he was the absolute love of my life!! My internet friend was committed to a mental ward because she was so upset!

All of their jaws drop

LUCY

(Starts singing/crying)

Eddie baby... I just saw Steve...

LUCY collects herself

LUCY (CONT'D)

I have to go... A group of us are protesting Eddie's death over where the Duffer Brothers live. I now hope you guys realize how much of a national TREASURE my scrunkly Eddie baby was.

AMANDA

O..kay! Well, I think that's all the time we have for today! I hope to see you all next week!

BLACKOUT

CIVIL WAR REENACTMENT - Comfest 2024

Two people walk on stage, obviously high out of their minds. They stop in their tracks as they see a Civil War reenactment taking place. They stare at the scene before them and stare at each other, trying to decide if this is actually taking place.

A:

What the-

C:

MAN THE CANNONS.

THE SOUTH ARE COMING OUR WAY!

B:

Lol, the south is what.

PEDIATRICIANS OFFICE - Fall 2024

A man walks on stage, in his 30's he goes up to the front desk. It is incredibly obvious that we are in a pediatrician's office

MAN

Hey Gina, I have a 2:30 with Dr. Roth

GINA

Hi Greg! How are you doing today? I see you on the schedule so you can go wait on the "Sick" side of the room.

GREG

Thanks, Gina, say hi to the husband for me!

Greg goes to sit down and wait for his appointment, but before he does he takes a minute to look at the fish tank. He pauses for a minute, tempted to touch the glass, and goes to sit down. He sits next to a boy that seems around 4-5 years old. When he sits down next to the kid he looks around the room, growing bored, he looks at the kid. He is reading a book. He invades the kid's personal space looking a little too far over to see what he's reading. The kid is reading the rainbow fish

GREG

Oh, I've read that one before, crazy twist at the end.

The kid looks over at Greg, clearly very confused as to what he's talking about. Then the kid looks over at his mom, who very slowly pulls her child closer to her.

GREG

(proud) Yeah, I've read all the books here.

The kid coughs in that nasty kid-cough way.

GREG

Ew! Jesus Christ cover your mouth.

Beat, Greg looks around bored again and figures talking to this gross kid would be more entertaining than reading "Hungry Hungry Caterpillar again"

GREG

What's your name, I'm Greg.

KID

I'm Matthew, but my friends call me Matty

The kid coughs again. Greg gives the child a disgusted look and tries to make eye contact with his mother seeming to say "Get your kid a damn tissue or something"

GREG

How old are you Matty?

MATTY

I'm this many!

Matty holds up 5 fingers

GREG

Oh shit, man! That's so young! I'm uh.. This many!

Greg holds up 3 fingers on his left hand and uses his right to make a 0

MATTY

(Astounded)

Woah. you must not be scared of the doctor at all.

GREG

Yeahhh...

Greg reclines in his chair

I guess you could say that. Dr. Roth told me I was a "really brave boy" the last time I was here. What are you here for?

MATTY

Check up. Mom said I'm sick.

GREG

Yo, that sucks dude. Sorry you gotta go through that. Betcha gotta get swabbed up the nose and everything.

Matty looks utterly terrified

GREG

Oh no don't worry though, I'm here to get my
balls checked that's like WAY worse

Matty's mother is horrified and takes her kid to the other side of
the room.

GREG

Bye, Matty!

Greg mutters under his breath as he takes out hungry hungry
caterpillar

GREG

Psh, that kid was a fucking pussy. Hot mom tho.

The nurse calls Greg into the doctor's room, Greg stands up and on
his way takes a lollipop from the bowl and starts eating it.
