DAY BY DAY ITINERARY

DAY 1 | LIMA – CUSCO - URUBAMBA

09:16 AM Half day to Pisac market and archaeological site

In the morning, you are picked up from Cusco airport to cross mountains and valleys, where Andean landscapes, local culture, and traditional villages are combined. Your tour begins in Pisac with a visit to the archaeological site of Pisac, renowned for its extensive Inca terracing (andenes) and impressive Inca architectural remains, the largest in the Sacred Valley. It continues in the Pisac market, where local artisans display hundreds of products on their stalls, from textiles to replica Inca ceramics. After touring the market, a vehicle takes you to the hotel in the Sacred Valley.

DAY 2 | URUBAMBA

09:00 AM Private full-day tour to Chinchero, Living Museum of Yucay, and Ollantaytambo from Urubamba (Sacred Valley)

Start your tour today by heading to the picturesque village of Chinchero. You will begin by exploring the impressive agricultural terraces and the 17th-century church, built upon an ancient Inca palace and recognized as one of Peru's earliest Catholic structures. Along the route, there will be a stop at a lookout point to enjoy the spectacular landscapes of the Sacred Valley. Next, you will visit the Living Museum of Yucay, where you can witness the creation of textiles, adobe crafts, ceramics, and silverware using ancient Inca techniques. You will savor a delightful typical lunch in the Sacred Valley. After lunch, head to the impressive Ollantaytambo Fortress, an important ceremonial center renowned for its stunning agricultural terraces cascading down the surrounding mountainsides. Upon concluding this full-day tour, you will return to the hotel to rest and soak in the renewed Incan spirit. The Chinchero market is included in tourist visits scheduled for Sundays. 13:30 PM Enjoy a buffet lunch at La Hanka restaurant.

DAY 3 | URUBAMBA

08:30 AM Half day tour to Maras and Moray

Your day will begin with a tour of approximately an hour and a half to the archaeological sites of Moray and Maras. The archaeological remains of Moray consist of mysterious concentric circular terraces that, for some scholars, would be an agricultural research center. External platforms, more elevated, would be at higher temperatures than the inmates and could simulate the conditions of the different ecological floors of the empire. On the other hand, Maras is a surreal sight. It is an impressive complex of salt mining. These are large deposits of salt that were used to trade for other products with other regions of the empire. After the tour, return to your hotel.

12:00 PM Enjoy a delicious lunch at the UNU Tiobamba restaurant. It's an excellent place to experience the rich gastronomy and culture of Chinchero in an environment that combines comfort, authenticity, and natural beauty with the stunning landscapes around it.

14:30 PM Half-day four-wheelers tour in Huaypo lagoon

Visit a couple of the more unique and interesting sites in the Sacred Valley as Huaypo Lagoon. At the end of the tour, you will be transferred to your hotel in Valle.
