Mexican Grill

Delicioso, Fresca...En Fuego!

Burrito Bowl Mexican Grill -

In the early 1990's Burrito Bowl was founded after entrepreneur chef Ronnie Chalhoub returned from a family vacation in the Yucatan peninsula of Mexico. He had fallen in love with the rich flavors of local Mexican food and decided he wanted to bring this exciting culinary experience back home.

Ronnie has lived by the rules and the authentic recipes the Mexican chefs had taught him. Quality garden ingredients prepared in front of the customer and made fresh to order.

Burrito bowl was founded on these principles and we will continue to bring the best food wherever we go.

Delicioso, Fresca...En Fuego!
