

From the Pastor's Heart

*I will strengthen you,
surely I will help you,
Surely I will uphold you with My righteous right hand.'*
Isaiah 41:10 (NASB1995)

Saints,

God's Word never fails!

Our problem in life is not that we have failed. Rather, our problem is that we have not failed the right way. We haven't been brought low enough to see what our God desires for us to see.

We walk away from our failures in humiliation, anger and confusion. Our loving Father desires that we see failure as an event that occurs in every life. It is not a punishment or an identity whereby we say, "I am a failure." No failure is a means through which our great God ministers to us His divine grace and guidance for the future.

Two churches who decide to merge into one church have not necessarily failed. They have come into an understanding that the season of their church have ended, and a new season is before them. They are wise who learn from the past and do not hide and run from the past.

A brand-new year is before us with all the possibilities of God's Will for our life as a church ahead. Let us with confidence, put the past in the museum of our mind and boldly move into a new era of ministry!

Joyfully Serving,

Pastor Bill
