

From the Pastor's Heart

*I know that you can do all things,
and that no purpose of yours can be thwarted.*
Job 42:2 (ESV)

Brothers and Sisters,

Trust ultimately in no one, or nothing, but Almighty God!

“No purpose of Yours can be thwarted,” Remember that conclusion...when God says it will be done. It will be done. If it makes me unhappy? Then it makes me unhappy. If it hurts. Then it hurts. If it ruins my reputation. Then it ruins my reputation.

Do you want to know Who is supremely in charge in the universe? The One who called the spaces into being, the One who scattered every atom into place, the One who established the atmosphere in which we can, for His purpose live abundantly, the One who separated the seas and the dry land, who gave you breath for your lungs and the ability to think intelligently.

The One who placed you here now in time, for His purpose, and the One who with the snap of His divine finger will pull you from life into eternity. Mysterious though our lives may seem, God, and God alone, is in supreme command of all creation. He is sovereign, He is good, he is here with us now and forever!

In Grace and Peace,

Pastor Bill
