COVID-19 SAFETY PROTOCOLS **PANDEMIC RESPONSE SYSTEM**

Encore Studios Pandemic Response System (PRS) is being introduced to share information to *individual classes** as a means to help reduce the spread of COVID-19 in our space and among our students & staff.

COVID-19 will be an active virus into the foreseeable future. That means we at Encore Studios need an ongoing response system based on the various possible exposures of COVID-19 as we learn to live with this virus.

The key indicator is *exposure*:

- 'possible' COVID-19 exposure in a class that requires precautionary measures, OR
- 'confirmed' COVID-19 exposure in a class.

**Please note the following levels and responses are directed at entire classes. Individual students & staff must still follow the self-test and cautionary protocols as outlined in our policies (encoreperformer.com/policies).*

There are 3 levels to the PRS:
