

The image shows a room with a large, vibrant floral mural on the wall. In the foreground, there is a dark wooden desk with a white cup and saucer, a small box, and a blue vase filled with red flowers. A modern white lamp stands on the desk. To the right, there is a window with white blinds and a white curtain. A green plant is visible near the window. The text "Clinic BBP®" and "Bożena B Pawełczyk, PI" is overlaid on the mural.

The image shows a contemporary living room. The background wall is covered in a large, textured abstract mural in shades of grey, blue, and brown. In the foreground, there are two ornate armchairs with dark wood frames and blue and gold patterned upholstery. A matching blue tufted ottoman sits between them. To the left, a tall brass floor lamp with a large white spherical shade stands next to one of the chairs. To the right, a large window with white blinds and sheer curtains looks out onto a city building. A large green plant is positioned near the window. The floor is made of light-colored wood planks.
