

To You,

Thank you for taking the time to read our adoption profile. We know you are making a difficult decision, and our arms and hearts are open and ready to love a child.

If you choose us, we promise to love this baby and will do our best to provide a safe and nurturing environment, a home filled with bedtime stories, peanut butter toast (my favorite), and many adventures.

Riley and I have always dreamt of the opportunity to adopt. We have spent so much time thinking about this child's name, what they will be like, and whether they will be embarrassed when their dad (Riley) wants to coach all their sports teams.

This baby will grow up surrounded by caring parents, doting grandparents and great-grandparents, the best uncles and aunts, silly cousins, and the most protective little puppy who is so excited to become a big brother.

It is important for us to tell you that chronic illness is a part of our journey. This aspect of our lives has strengthened our commitment to each other as a couple and our future children. Overcoming and adapting to physical and emotional struggles has made us stronger and better prepared to raise resilient, loving, and empathetic children.

You are the reason this child exists. We are open to discussion considering your wishes for an open or closed adoption.

With love,
Meagan & Riley Evans
