

LOVERS KNOW BEST

The Live Game Show For Couples

Lovers Know Best is an original, laugh-out-loud game show that explores the bond between romantic partners.

Three couples compete in a variety of challenges to see which pair is most connected. Intriguing, a little provocative, and an absolute ton of fun, it's a super-entertaining way to see how couples relate to each other.

This isn't just entertainment...couples compete for real prizes! (Show runtime approx. 90 minutes.)
