News and updates from the OK JCI Senate 2023/2024

Home Run News

message from Coach>>>

Holiday greetings! We have had some fun and productive months since our last newsletter. Our team had several members visit the Kansas JCI Senate at the Linn Picnic in July. We had a great turn out at our Summer Social hosted by the Southwest Sunny senators. Thank you to Randy and Sharon Sursa who opened their home to all of us and to Sheri Menendez and Pat Reffett who helped plan the event. Oklahoma was well represented at Fall Board 2023 in Houston, TX. Something very exciting happened there. New Senator Gary Pennington kept Oklahoma’s streak alive and won First Timers. Congratulations Gary! Oklahoma’s bid to host Fall Board 2024 was approved! Thank you to Pat Reffett, chairperson and Karen MacCannell, hotel liaison, for working so hard on the bid. Our Fall Social was hosted by the Crazy Cool Central Senators. We had a great time going to Remington Park and watching the horse races. Thank you, Peggy Rider, DeLisa Anderson, Stephanie Prewitt. Unfortunately, none of us were big money winners, but we were big winners when it came to socializing.

Team Rules 2022- 2023

1. Attendance at Team Practice (meetings) required
2. Understand your position
3. Understand your Teammates position
4. Play your zone
5. Back up your teammates. Team Checking – Team Coaching
6. Encourage your Teammates
7. When you are visiting another team, let the other team handle their game
8. Designated team meals – to be teammates only unless otherwise approved by Manager
9. Coach will announce team meetings – new plays
10. Bring a positive attitude to affect positive outcomes

In keeping with my theme of Snoopy vs. the Red Baron(s), I recognized some members with some “Mission Accomplished” pins for the first quarter. Congratulations to Sandy Crouch, Karen MacCannell, Stephanie Prewitt and Pat Reffett. They were instrumental in overcoming some “Red Barons”. You can see the “Mission Goals and Debriefs” in the following pages of the newsletter.

Looking forward we have some great things happening for Oklahoma. Our Christmas party will be taking a round-trip ride on the Heartland Flyer train from OKC to Ft. Worth. We’ll have a nice meal, do some shopping, and return home. It will be a fun trip and should us get in the Christmas spirit. Many members plan to attend Winter Board in Greenville, SC in January. February is scholarship judging. Becky Edwards is doing a great job with this program. We will have a general membership meeting and social. The Spring Social will be in March and will be hosted by the Tulsa Area senators. They know how to throw a party! Then in April we are happy to be hosting the Region VIII meeting in OKC. Chairperson Sheri Menendez already has a fun time planned. As you can see, we have many fun things planned, if you haven’t joined us for one yet.....you should!

I am so grateful to be part of an organization that prioritizes getting together as friends. It has helped me through some difficult times over the last couple of years, old Jaycees are the best!! As we approach the holiday season, I always find myself reminiscing about former Halloweens, Thanksgivings and Christmas’. So many of those memories include times with Jaycees. One of my favorite Christmas projects was when the Newkirk Jaycees built a float for the Christmas Parade. It involved everyone’s families and the kids were so excited to dress up like presents to ride on the float and toss candy to onlookers. I’m sure every one of you have a memory like this. I pray that this year we all have a holiday season that we can look back on with fond memories.

Wishing you a blessed holiday season,

Be on the lookout. Keep your eyes on the skies. Better Together!

Greetings and Happy Holidays,

I hope everyone has had a great summer and a smooth transition into fall. It seems like we stay busy whether we are still working or retired. Thank you for reading the minutes of the meetings and submitting corrections when necessary. That helps our meetings run smoothly. Not having to print so many copies also saves time, money, and trees; so, keep on saving minutes to your tablets or smart phones for review.

Please take time to treasure even the smallest blessings during this holiday season. I wish you good health and happiness as you recall special memories and create new ones with family and friends. Wherever your faith leads you, I hope you find grace and peace.

Thanks to all of you who have responded to the invoices and/or reminders for your yearly dues.

Once again, all the beans have been counted and we are still very much in the Green.

A reminder that you can pay your dues at any time of the year, not necessarily in the month in which you are due? An early response would be greatly appreciated so that we can send in our dues by the September 1 deadline.

A reminder that our PayPal account is: OKJCITreasurer@gmail.com, and always remember to select "**Friends & Family**" to avoid any fees.

The year is passing by quickly with so many trips, functions, socials! Oklahoma is keeping up the pace in all the happenings, under the command of President Cindy. I've been busy with my Region VIII duties and was able to visit all my states in the first quarter. Starting to make my rounds again! Oklahoma had a great turn-out at Fall Board in Houston and a big congrats to Oklahoma first timer Gary Pennington for continuing the OK Sweep! I had a wonderful time in Houston as Candace Hollis, President and the Texas Team did an amazing job. The Holiday season is approaching, and I want to wish you all health, happiness, prosperity, and thankfulness. Such a busier time of year. Take time for yourself and don't let time take over you! Enjoy and love one another.

I am always looking for travel partners for my visits, so please let me or my Region VIII Travel Agent – Sheri Menendez know if you are interested in making the trips with me. They are most definitely a lot of fun!

Thanks for all your support in Oklahoma and Region VIII. I appreciate you all.

Peggy Rider #58293 – Chaplain

Hello Oklahoma JCI Senate

I hope everyone is having a great year so far. I had a wonderful time at the fall board meeting in Houston. Texas Senate did a wonderful job. Any time any issue came up Logan, Jumper, Hilda, June or Candace handled it. I know they had a lot of help. Can't begin to name everyone that helped, especially in hospitality. Candy Madding, Gloria Albers, John Wodarczyk and Judy Dominic took great care of me, As chaplain this year I have mailed out 16 get well cards and 7 sympathy cards. Please continue to let me know of any illnesses, hospitalizations or injuries. Also in the unfortunate case of any deaths.

Sheri Menendez – Pres Advisor, Protocol, OK JCI Senate Foundation President #47839

JAYCEE FOUNDATION OF OKLAHOMA:

The Jaycee Foundation of Oklahoma Inc. has been going through some major changes the past few months and we're excited for everyone to join us. Our by-law committee and board of directors have been meeting to update our Articles of Corporation, By-Laws, and membership list. One of the most exciting changes that has been made is a name change for us. We are now the **OK JCI Senate Foundation Inc.** This is something that we've discussed and cussed for several years, and we finally got all the necessary information together to make it happen. We also changed our registered agent of record to our secretary, Nancy Cloud. With the new upcoming changes our annual dues will now be only \$25.00 per person, per year. You can mail your dues to our treasurer, Sharron Sursa, 611 Silver Fox Court, Blanchard, OK 73010. We want and need everyone to join the Foundation and help support us as we continue to raise funds for our scholarship program. You do not have to be Senator to be a member of the Foundation. Any one or any business can be a member of our Foundation. Any contributions you make are tax deductible as we are a 501 (c)3 organization.

The Foundation will continue to support / sponsor the two high school senior finalists for Oklahoma with a \$500 college scholarship, and we plan to also offer a \$500 scholarship to a student attending a technology school. So, we need your input and support to continue this program. Please feel free to contact me for any additional information regarding our Foundation. Please, please send in your \$25.00 dues! A foundation membership would make a great stocking stuffer gift for the holidays!!

We look forward to seeing you at our next meeting.

US JCI SENATE REGION VIII MEETING

The Oklahoma JCI Senate will be hosting the Region VIII meeting in Oklahoma City at the Embassy Suites Hotel on April 25 – 28, 2024. We will want / need everyone's help and participation to make this project a success. The committee chairmen are starting to work on their areas and will be contacting you to assist in some way during the weekend. We are not planning to do any specific tours or outings for the weekend, and we are not planning to do any cooking for the weekend. I hope everyone will come to have some time to enjoy the fellowship of other Region VIII members from Colorado, Texas, Kansas, and Oklahoma. We'll also have several national officers from across the nation visiting us during that meeting. We will be scheduling committee meetings right after the holidays for this project, so watch your emails for details. Let me know if you have any suggestions, questions, concerns, or ideas regarding this project. We appreciate your support and participation!!

We appreciate seeing some Senators we haven't seen for awhile at our events this year! Keep up the great work. Happy Thanksgiving. Hope all is well and too see you soon for the train trip. I would like to invite everyone to participate in your area in Wreaths Across America December 16th, 2023.

Randy Sursa #49485 – Pay It Forward Director

Hello everyone,

Fall is upon us and that means one thing, cooler weather. What to do? What to do? Be prepared for next fall by buying tickets for the prize drawing at all of our events. Yes, we have a custom-made quilt with the travel bag ready to give away. You don't like quilts or have too many? Then I also have 2 bobble heads that you can choose instead. One of the OSU Cowboy and one of the OU Indian. I am also performing a drawing at every meeting from the tickets purchased at that meeting. The prize, 2 water bottles for the 2 lucky ticket holders. Those tickets will still go into the year end drawing for the quilt or bobble heads. So not only are you helping raise money for a great cause, you have more chances to win!! Always Better Together!

Charles Edwards #62936 – Presidential Sweepstakes Director

Hello fellow Senators.

We made it back from vacation (even though when you're retired, you're always on vacation!). We checked several places off our bucket list and had a wonderful time. But, it's always great to get back to your own bed! The leaves are changing and the days are shorter - I hope everyone is ready for cold weather. I'm NOT!

As we enter the holiday season, remember family, friends and neighbors. We have several get togethers planned so everyone can enjoy.

Happy Holidays and remember THE REASON FOR THE SEASON.

Nancy Cloud #52750 - Bob Henry Memorial Award Chair It is time to start thinking about nominations for the Bob Henry Memorial Award which will be given out at our year end meeting. The requirements are simple, there is no "application form" to complete and the recipient will be forever grateful for the honor and recognition. Bob Henry was involved with our Senate organization while staying involved in other civic and community organizations. He truly lived the line of the Jaycee Creed – "That Service to Humanity is the Best Work of Life." Please help us to recognize other "Bob Henry's" in our organization. I am anxious to see who you nominate and appreciate your support for this distinguished Memorial Award. Nominations are due to me on or before April 1st, 2024.

President Cindy asked officers to share their favorite Jaycee Christmas projects/memories

Nancy Cloud #52750: One of my favorite Christmas projects was the Tulsa Parade of Lights. It was held in Downtown Tulsa and was televised. It was so much fun lining everyone up and seeing the excitement of the people in the parade as well as the ones who came to watch. Making sure Santa got on TV was always a must. Two great memories of Santa are: one year the vehicle under the Santa Float quit working on the way to the cameras. We could not let Santa not be shown on TV or not make it the rest of the route, so we ended up pushing the float along the parade route. My second Santa memory was when I chaired the parade the next year and the Chair got to be Santa or chose someone. My Dad is who I chose, and he was so excited and so happy that I let him be Santa. He had a blast and talked about it for years.

Becky Edwards #62937: As the Holiday Season fast approaches, I recall that this was my favorite time of the year as a Jaycee. The haunted houses, Thanksgiving food baskets and toys for kids were a family affair in our home. Our boys always got excited to help with these particular Jaycee projects and we feel blessed that we were able to share those experiences with them. It is especially heartwarming to know that in different ways, they continue to share their many blessings today with those less fortunate. This is the 'Season of Family' and I feel blessed to have such a wonderful and loving one. I am also grateful for my Senate family and look forward to many more Holiday Seasons with you all!

Sandy Crouch #71504: Since it's getting close to Christmas, it made me think of the first Jaycee Project I participated in. In the middle 80's I was recruited at my business, but I insisted to my friend that she had to come with me to the meeting too. That's when Karen MacCannell and I began the Jaycee journey. We had some reservations about these crazy people we met at the meeting, but our first project was the Christmas Food Baskets. After we knocked on the door to deliver our first basket it took a bit for someone to answer. We were so excited. When the door finally opened we told the older man why we were there and what we had for him. He seemed to tear up and he shyly thanked us. When we got back into our car we didn't know if we could continue. Our own reactions surprised us. We sat there blubbering for a while before we could move on to the next delivery. It really hit home to see what those food baskets meant to people. It was so emotional and heartwarming at the same time. I'm so glad to have had that experience.

Pat Reffett #77848: When I was a little girl, my parents took me to the annual Christmas Parade in downtown Lawton, and Santa always made an appearance at the end of the parade. Children were invited to meet Santa on the lawn of the County Courthouse after the parade ended. When I was not too scared, I would wait in line with other boys and girls, tell Santa what I wanted for Christmas, and receive a candy cane or an apple. I did not know then that the Lawton Jaycees sponsored the Christmas Parade. Imagine my delight when years later, in the 1970s, I got to help my husband and the Lawton Jaycees and Jaycee Janes put on the same project with the reviewing stand in front of the new County Courthouse.

My second memorable Jaycee/Jaycee Jane holiday experience was to help collect items and deliver a food basket to a deserving family. The young daughter in that family was in junior high and played basketball. We grew to be friends as my family followed her athletic career through a state championship in basketball, a twenty-year military career, and the unbreakable bond of true friendship and unconditional love. Without that first introduction, which I consider a gift from a dear Jaycee friend, I would have missed the blessing of having her as close as a daughter and being the Godmother to her daughter.

Teri Long #57140 Long Family Christmas. Bob Long #21245, PP 85/86, Cindy Long (former Jayceette) and #H01, daughters Teri & Tina. With a very proud Nana who supported and loved their involvement in the Jaycees & Senate.

All Aboard the Christmas Train !!!!!

The Nifty North Central OK JCI Senators are very excited to be hosting this train ride on Saturday - December 9th. Those who signed-up for tickets for the round-trip adventure from OK City to Fort Worth will be getting a packet in the mail with departure and return times as well as guidelines for riding the train.

For those who missed the cutoff, but would still like to take the trip, can book an individual ticket for the Amtrak Heartland Flyer for December 9th. Be sure to book round-trip and let Cindy Empting know you will be taking the train with the group. You can email her at ckempting@gmail.com or call her at 580-761-3077.

GREAT NEWS! The US JCI Senate approved the Oklahoma JCI Senate's bid to host Fall Board Meeting 2024 in Tulsa, Oklahoma! Thank you to all who helped put the bid together and to those who participated in presenting and securing the approval during the meeting in Houston! Fall Board 2024 will be held September 19-22, 2024, at the Renaissance Tulsa Hotel and Convention Center.

Our Fall Board 2024 Committee has been hard at work and meeting to go over plans, budgets, and details so we can host a successful meeting. Please consider assisting in this project in the planning and/or implementation stages. Put the dates on your calendar and plan to attend. Contact one of our committee members and offer to help. It will take all of us working together to maintain the standard that was set when our Senate hosted the US JCI Senate at Fall Board 2020 in Lawton, Oklahoma. Hospitality for Fall Board 2024

Fall Board 2024 is still months away, but our committee has already started working on it and I can say, we are all very excited. I am the hospitality chair for Fall Board 2024, and serving along with some of my favorite people! There is a lot of pre-work and prep at the site, but that is all in our plan of action.

How would you like to go to Fall Board 2024 and not have to pay a registration fee? Well, here is your opportunity. Bring a 1.75L unopened bottle of alcohol to one of our team members at any of our meetings or events and your name will be entered into a drawing for a free registration (one entry per unopened bottle/2 cases of beer). Sound like a deal? Wait, you want to bring beer instead – no worries, just bring two (2) large cases of your favorite beer and your name will be put into the drawing also! The drawing for the free Fall Board registration will be held at our Summer Social next August.

We would like to stay with the well-known brands such as Jack Daniels, Jim Beam, Crown Royal, Tito's, Captain Morgan and Tanqueray/Beefeater gin. For beer it would be your favorite regular or light beer.

As reported by the Houston committee from their recent event, alcohol items that did not get opened were Dewars, Johnny Walker Red, Smirnoff, Peach Schnapps, Irish Crème, Amaretto, Kahlua, Seagrams and Bacardi Black.

Team members include Noel Sumpter, Stephanie & Tony Prewitt, Gloria Albers, Pam Peters and Randy & Sharron Sursa.

Snoopy Red Baron Mission

Mission Name: Living on Tulsa Time

Team Leader: Pat Reffett

Team Members: Anyone and everyone who has any skill of any kind!

Mission: Develop and bid for the Oklahoma JCI Senate squadron to host Fall Board 2024 in Tulsa.

Mission Goal: Procure the needed information to submit the bid to the US JCI Senate Convention and Bid Review Board.

Mission report:

Once team leader Pat was appointed as the committee chair for this mission, she attacked with vengeance. There were a few red barons circling her. She had that pesky red baron of technology on her tail. She had the red baron of ambush delay team member Sheri at a crucial moment in the mission. But Pat kept her cool and demonstrated her skill of communication, which was the turning point in the mission. She kept her contact for the bid review informed of developments and was able to get the bid submitted.

Congratulations to Pat Reffett for staying cool and demonstrating the importance of communication to the success of a mission and receiving her "Mission Accomplished" pin.

We Believe:

That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignty of nations;

That economic justice can best be won by free men through free enterprise;

That government should be of laws rather than of men;

That earth's great treasure lies in human personality;

And that service to humanity is the best work of life.
