WARNING SHOTS

- Prop gun that killed film worker 'had misfired before'
- Crew walked off set, complained about safety
- Baldwin cried: 'Why was I handed a hot gun?'

Union filmmakers protested safety conditions on the set of 'Rust' just before a prop gun fired by Alec Baldwin in a killing. Cinematographer Halyna Hutchins (right) on Wednesday, Baldwin (pictured) making an anguished phone call is one of the producers of the low-budget Western. **PAGES 4-7**
