

Who depends on the safety of your lifts?

Protect your technicians, your customers and your business. Have all your lifts inspected annually by an ALI Certified Lift Inspector.

Don't trust your lift safety to just anyone. ALI Certified Lift Inspectors are proven qualified to inspect every lift in your service department to determine if they are functioning properly.

Annual lift inspections are required by health & safety officials, ANSI standards and local regulations. But even more importantly — taking care of your lifts means taking care of your team. Their safety is riding on it.
